THE POSMASTER GENERAL.

Alacdonald's early retirement from the because it is utterly false and untenable. peared in the Ottawa evening papers, is [Province and described it as a "Scotch" quite without foundation. So long as the Province, and stated also that the Govwe did not think it necessary to contradict | ment as it stands-and the Irish Canait, but since it has been made the subject dian gives it as much importance as if it Mr. Macdonald's health, is better a poor observer. It is true, unquestionation to the duties of his department,

the country, and the present prospect is that he will be spared the health and

THE FUNDS ATTHE COMMAND OF THE GOVERNMENT.

is quite true that the Dominion does posno less true that the demands upon it | was taken as a matter of course. Certainmaturing within a very brief period are ly no stronger proof of the fallacy of its almost equally great. Not to speak of own argument could have been advanced, THE PRESBYTERIAN CONFEDERAthe usual semi-annual requirements for for the very best evidence that could be interest and subsidies, which alone amount afforded of want of unity among the Scotch to nearly five millions and a half, Canada is the fact that the leader of the Govern. has to pay no less than three millions and | ment and the leader of the Opposition bea half in England on or before the 1st of long both of them to that exceedingly July of the current year for debentures fortunate race. Happily the question of yesterday afternoon at the Fourth avenue falling due, and something like one and a religion does not enter into this contro Presbyterian Church, the Rev. Dr. McCosh half millions to close the Seigniorial Fund very, but the opportunity is taken to make special payments for public works, quite apart from the steady ordinary expenditure on capital account which is always going forward.

Assuming, therefore, that the ordinary receipts during the ensuing two months will not much exceed the regular expenliture on capital and income combined which we imagine is no very unreason able hypothesis, it follows that the Do. minion will require to pay away some extra twelve millions of dollars within that period-a circumstance which ap pears to have been entirely overlooked in certain quarters, but which may serve to dissipate any fears that the Dominion was collecting more funds than it knew what to do with. We will only add that when these twelve millions are deducted not holding anything more than the amount which it is de sirable that any Administration engaged in such enormous enterprises should be well if all p rties temporarily enjoy that! We are afraid our friends of the by a plan sanctioned by the Council ing the use of Government deposits would Canadian and the Tribune will have to and proceeding on the principle bear in mind that these must hencefor ward tend rapidly to diminish instead of Scotch so largely in this country than each church always consisting of an equal

THE SCOTCH IN CANADA.

The heading chosen for this article is a borrowed one, but to begin to give all the authors the benefit of quotation-we mean all the newspapers in which the heading has done service during the past fortnight-would be such a task as we scarcely care to attempt. The reports of the speeches were furnished committed to the Church by her great Scotch, we premise by saying, if we count by Mr.Samuel Hutchinson, of Montreal, who Head. Topics may be brought before in the category the natives of the "old sod" and their descendants, are a by no last session, and who is well known all means insignificant portion of the popu- over Canada for his literary and phonolation of this Dominion. They occupy so graphic abilities. The book before us is and recommendations of the Council shall many positions of prominence and trust a very great credit both to him and to be transmitted to the Supreme Courts that it would be a somewhat unwise eral get up equally creditable to the to receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography and gento receive from these respectful and positions of prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the Board, and the typography are prominence and trust the typography are prominence an thing to attempt to ignore them, far less Messrs. White, from whose press it is to cross them. They, however, are peo issued. The Secretary, Mr. Patterson, 5, Objects.—The Council shall seek to For Sale—A Plumblago Property ple that have to be cautiously dealt with, has prepared a complete and carefully help all weak and struggling churches, to Wanted-19,0 o Tons Phosobate of Lime, dettwhichever tack you take with them. They are not exceedingly open to flatupon them through that channel may as well give up. Nor do they care to be cajoled and petted; their independence of spirit kicks against that. If they are abused they can defend themselves, and worthy of a careful perusal by all. It is peace of the churches, the distribution of we do not propose to sympathize with them we do not propose to sympathize with them sent day, and the vices of a "respectable" great cities and destitute districts; the have been sent to the principal Educational they don't want anybody's sympathy. So an able criticism on the prevailing prac- mission work, the combination of church been receiving at the hands of those represent, a presenting or professing to represent, a present the province, and can also be present the province, and can also be present the province, and can also be present the province and the

be on the best of terms. Curiously snough, it is the success of Scotchmen and their descendants which draws upon them the abuse to which reference has last contains the proclamation giving een made. If they had been less suc- effect to the policy of amnesty as declar cessful, according to some authorities ed in the amnesty resolutions adopted by there would have been less ground the House of Commons at its recent sescomplaint against them. proposition may appear some cumstances; then names the persons what of a paradox, but it has fact on excepted from the general amnesty; and its side nevertbeless. It is ac. finally expresses the terms upon which tually the success of the Scotch as a two of the persons excepted, Riel and class which has drawn down upon them | Lepine can have the benefit of pardon. within the last week or two such an un.
