The low rates at which they are sold make them accessible even to schools whose resources are restricted. The publisher, Horatio C. King, No. 102 Chambers street, New York, will be happy to furnish samples of all the papers and full particulars on application. 3800

Thomas' Excelsior Electric Oil—Worth Ten Times its Weight in Gold.

Pain cannot stay where it is used. It is the cheapest medicine ever made. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity a lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from the different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical. J. Collard, of Spart, Ontario, writes: "Send me six dozen Dr. Thomas' Electric Oil. Have sold all I had from you and want more now. Its cures are truly wonderful." William Maguire, of Franklin, writes: "I have sold all the agent left; it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes: "Please forward six dozen of Thomas' Electric Oil, I am nearly run out; nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes: "Send at once a further supply of Electric Oil, I have only one bottle left. I never saw anything sell so well, and give such general satisfaction." J. Thompson, Woodford, write: "Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reed, Ulverton, P. Q., writes: "The Electric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., Buckingham, P. Q., write: "Send us one gross Electric Oil. We find it takes well."
Sold by all medicine dealers. Price 50 cents.
