### Wall Paper.

### MCKAY'S CHOICE AND BEAUTIFUL WALL PAPER,

INCLUDING THOSE DEDICATED BY THE MANUFACTURER

Their Excellencies the Earl and Countess of Dufferin.

—OOO—

These Paperhangings are imported direct from the best Manufacturing Establishments in England, France, and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those tinted with silver mica; but above all, those from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscribers long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in staining, enables him to select the best Paperhangings, those coloured with poison pigments, as deteriorated to his taste. Prices are respectively invited to examine his STOCK of WALL PAPER before purchasing elsewhere.

As the undersigned is going out of the Room Paper Business, as his present Stock is disposed of, the Goods will be Sold at the Lowest Remunerating Prices.
