Local Intelligence.

THE FEMALE MINSTRELS. — Madame Rentz's Female Minstrels, at present in the city, are staying at the Windsor Hotel.

BARGES.—Seven American barges arrived this morning in tow of the steamer Francis, to be laden with lumber.

Mr. Canroy of Brockville has been appointed to the position in the Public Buildings, made vacant by the death of Mr. Garlic.

COUNTY LIQUOR CASES.—Inspector Gordon will arraign before Mr. Langrell, J. P., to-day a number of persons from rural districts who have been selling liquor without a license.

MADAME RENTZ'S FEMALE MINSTRELS.—This troupe performed last night at the Rink Music Hall. Perhaps this is saying all that can well be said.

ASSIZES.—The Pembroke Assizes open this morning before Judge Morrison. A number of legal gentlemen from the city have gone up on professional business.

IMPROVING.—Charles Taylor, a fireman, whose arm was broken while on duty at a fire three weeks ago, is gradually improving and will be able to attend ere long to his duties.

PROTESTANT HOSPITAL.—The visitors this week are, Directors.—Messrs. John Heney and James Clarke. Clergy: Revs. Wm. Moore and F. Codd. Physician, Dr. H. P. Wright.

THE CANAL LOCKS.—A number of persons congregated on the bridges to see the "Gathineau" of Kingston and a number of barges drop through to the river yesterday.

GUARD OF HONOUR.—A guard of honour comprising 100 rank and file of the Governor General's Foot Guards will attend at the depot to-day, on the occasion of the departure of His Excellency the Governor General and suite.

All wanting glass cases, carpets, oil cloths, pictures, &c., will do well to attend Mr. bermingham's sale on Thursday. 3840-1i See advertisement.

HULL COUNCIL.—There was an informal meeting of the City Council last night, at McGoer's Hotel, Mr. Marston in the chair. There being no business requiring their immediate attention the Council adjourned until next Monday, the 17th inst.

RATHER NOISY.—Yesterday a drunken man on George Street held forth to an admiring audience. In attempting to cross the street he fell in the mud, which completely sobered him. This practice of drunkenness on the streets is getting rather prevalent.

THE STRIKE ENDED.—The strike of the masons and bricklayers for an increase of wages has ended, and most of the men resumed work again yesterday. They are now to receive $2.75 per day for ten hours labour.

ELGIN STREET.—The Water Works Commissioners have had a tedious job of repairing the main which burst some time ago on this street. Owing to repairs being made, vehicles cannot pass on it between Slater and Maria street.

THE MARKET.—The market yesterday was perhaps the poorest ever seen in the city. There were only four loads upon the square with produce for sale. Buyers who had gone there with the intention of investing looked exceedingly benighted at the prospect.

POLICE COURT.—Singular to relate, there was nothing for the Police Magistrate to do yesterday. There was a person arraigned on some slight offence, but the matter having been amicably arranged between the parties concerned, it obviated the necessity for a sitting of the Court.

THE BANK STREET MAIN.—The water main which burst near the junction of Bank and Gloucester streets during this winter made things very unpleasant ever since in that vicinity. The water is now oozing through the ground and a number of cellars are in a very undesirable condition. It is time some relief was afforded those suffering from this nuisance.

APPOINTMENT. We are glad to learn that our old friend Mr. J. B. Steacy of the Customs has been confirmed by the Department in the position of Clerk, (in addition to his previous appointment as Landing Waiter,) the duties of which he has performed for the past year, to the satisfaction of his superiors and the public.

A NEW BUILDING.—Mr. Kelloe's black smith shop which was burned last week, is being rapidly replaced by a temporary wooden structure. No clue has been obtained as yet to the incendiaries, who have of late been the cause of so much mischief and loss. It is to be hoped, however, that the punishment which they so richly merit will be meted out to them.

SPELLING MATCH.—The interest in spelling matches is evidently diminishing. The attendance last night in the basement of the Congregational church was small, and consisted chiefly of ladies. After a spirited and well sustained contest, the first prize was won by Miss Buckley, and the second by Mr. Mingard. The Rev. Mr. Sanderson, Mr. Jarvis and Miss Shapley acted as referees, and Mr. Rasford gave out the words.

A JOURNALIST AT HYMEN'S ALTAR.—It gives us great pleasure to hear that Mr. Andrew Holland, one of the Editor's and Proprietor's of the Guzes, will be married this morning at the Bishop's Chapel to a daughter of Mr. Gibson, contractor. The happy pair will leave by the afternoon train for the east on a nuptial tour. They have the best wishes of the journalistic profession of the capital and a large circle of rejoicing friends.

ST. PATRICK'S SOCIETY OF OTTAWA.—At a meeting of this society held on Sunday night, the following officers were elected for the ensuing year: President, Hon. John O'Connor, re-elected; vice presidents, Thomas Dunn; second vice president, Michael Dolan; treasurer, Joseph Kavanagh; recording secretary, Thomas Stackpole; assistant recording secretary, James Regan; corresponding secretary, W.
