What They Say of It! A Few Facts [illegible] the People.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of those is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then had no attack of it. I would recommend it to all." J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of colic, wounds, etc., and think it is equally as good for horses as for man." A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throat, &c., and is worthy of the greatest confidence.' —Joseph Russell, Township Percy, writes: "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." A. Mr. Hamilton, Warkworth, writes: "For weeks, I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee, of this place, induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.

Most eligible premises have been purchased for the use of the School in McTavish street one of the most beautiful localities in the city, and commanding an extensive view of the Mcgill University.

Wall Paper.

McKAY'S
CHOICE AND BEAUTIFUL
WALL PAPER.

INCLUDING THOSE DEDICATED BY THE MANUFACTURER TO

Their Excellencies the Earl and Countess of Dufferin.

These Paperhangings are imported direct from the best Manufacturing Establishments in England, France, and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those toned with silver mica; but above all, they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in painting, enables him to reject, in his selection of Paperhangings, those coloured with poisonous pigments, so deleterious to health. The Public are respectfully invited to examine his STOCK of WALL PAPER before purchasing elsewhere.

As the undersigned is going out of the Room Paper Business as soon as his present Stock is disposed of, the Goods will be Sold at the Lowest Remunerating Prices.
