Mr. John Bowers, lately employed as Inspector of Works on the Parliamentary Library, and whose ability and experience are well known, has been entrusted with the supervision of works at the various penitentiaries in the above named Provinces.

Earthquakes in Barcussa.

LONDON, May 28.—The *Herald* says that a series of earthquakes have occurred at the beginning of May, in the Province of Barcussa Assim. Six hundred houses were destroyed. The accounts so far received show that 150 lives were lost and that 187 individuals were injured. The total number killed is still unknown.

Boynton's Attempt to Swim across the Channel.

Boynton started early this morning to swim from Cape Gresne, in his life saving suit. He is now near Folkeston, crossing the channel successfully. There is every likelihood of his accomplishing the feat

GERMANY.

Dissolution of the Press Bureau.

BERLIN, May 28.—Bismarck has dissolved the German Press Bureau.

AMERICAN.

NEW YORK.

A Terrible Calamity.

NEW YORK, May 28.—A special from Holyoke, Mass., gives the latest details of an appaling church accident which occurred last night at 10 o'clock. Thirty-six dead bodies are in Mowatt's stores, and twelve in the school house, and twelve at another house. The work of recovering bodies from the ruins is progressing all night. At midnight fifty-one bodies, mostly women and children, had been recovered. Rev. A. B. Dufresne escaped through a side door. The scenes in the church were horrible and baffle description. A corner of the gallery fell in, and was filled full, and was found full of mangled and dismembered bodies. It is probable the exact number of the lost will not be known for some days. It is estimated seventy-five persons perished. The following is a list of the killed as far as recognised: Mrs. Burgess, Justin Brissen, Miss Cosche, Roseline Des Jardins, Mrs. Des Jardins and four children, Selin and Mary Dancette, Francis Deory, Mrs. Lafrance, Mrs. Lavina, Mrs. Morin, Ias Morino, Fabou Moreau, Ela Munier, Alice Newton, T. Paquette and child, and Mrs. Robert, added to the list of forty injured already published, and which includes Chief Mullin of the Fire Department and Chas. Dufresne, brother of the pastor. Six of the injured are dying. Nellie Lapieore and her mother and a child named Bridget are missing, and supposed to be in the ruins. Amajority of the dead are still unidentified.

Press Excursion.

The press excusion from this city to Boston and return back, on the steamer *City of Bristol*, returned this morning. Most of the journals in Philadelphia, New York and New England were represented. Resolutions commending the accommodations of the company, and thanking the officers for their courtesy, were unanimously adopted by the excursionists.

Comments of the Times.

The *Times*, commenting on the wheat trade says: the accumulation of the extraordinary stock of five millions of bushels of wheat in Chicago is, we believe, an unexampled phenomena in the history of the grain trade in this country, now that bread has at length been reached, in the figures at which wheat has been held in the interior, there ought to be a brisk renewal in the shipping from this and other ports, and prices ought to reach what may be called their nominal equilibrum.

The War in Spain.

A dispatch from St. Jean Delus to the *Standard* states that the Carlist battery at Mount Tico had fired on the Spanish squadron and the Admiral commanding was killed and four of his officers wounded.

French Affairs.

A Paris correspondent of the *Times* says that Minister Buffet will not make the system of election a Cabinet question.

Illness of two Prominent Men.

Fletcher Harper, the only surviving member of the original firm of Harper Bros. is lying dangerously ill of dyptheria. Col. R. W. Blanchard, a prominent Railway man is very ill at the Brunswick hotel, suffering from paralysis.

Scene at the Stock Exchange.

The New York Exchange was the scene of great excitement and a further heavy decline in values attended, with an enormous business, the pressure to sell was very great and at intervals the market was on the verge of panic. This continued depression in railway and miscellaneous shares is the result of a combination of causes. The long war between the Trunk line has done much to undermine confidence in the value of Railroad stocks. Lake Shore steadily declined and reached 59½, the lowest quotation since the panic of '73. The decline in the general market to-day carried down two firms. Washburn & Co., and Solomon, whose chief workings are in stocks. There was some recovery in the evening but there is considerable anxiety as to the future.

Comments on the Holyoke Disaster.

The evening *Express*, commenting on the Holyoke disaster, says the too frequent use of lights in churches ought to be discontinued and chiefly moveable lights. It is in Roman Catholic and Ritualistic Churches that candles are used, and such a calamity as this at mass ought to be a life long warning, and argues strongly against their use.

A Ten Years' Confinement.

Jas. Duffy, on trial for an attempt to shoot Deputy Comptroller Earl, was to day found guilty and sentenced to ten years' confinement.

Burglary.

Burglars entered the carriage factory of J. Curley on Slate street last night, and a clerk named W. Kelly who had visited the establishment to see if things were all right was knocked senseless by one of them. On recovering consciousness the burglars forced him to open the safe. They took what money there was in the cash box and made off, only getting thereby $30.

CHICAGO.

The Farmer Case.

CHICAGO, May 28.—The final motion in the great Farmer case will be made to-day if the case sit for trial. The parties are all apparently seeking to delay the trial as long as they can, in order to allow public sentiment to become a little quieter.

Conclusion of Cases.

The Aldermanic contempt case and *Times* libel suits will conclude, it is thought, before night.

Decoration Day.

Arrangements for decoration day are quite finished and if the weather is favourable there will be a general observance of the day. There will be no parade through the streets, but military organisations will go direct to the various cemeteries where the ceremonies will occur.

Smith, of Council Bluffs, by a highwayman, in the southwestern district of Cass county, on Tuesday evening. He was driving in a buggy when a robber halted his horse, fired a revolver and demanded his money. The reverend gentleman resisted, when he was attacked with a knife and cut, and was finally knocked senseless and robbed of $570 which he had collected for his church debt.

Arrival of the Vice President.

Vice President Wilson arrived here from the West to-day.

BOSTON.
