FALSE MODESTY.—For people to allow disease to become seated upon them rather than consult a physician, or to suffer as many do for years with the different kinds of piles, without going at once to the druggist for Fowle's Pile and Humor Cure, which is an infallible cure. 3729

SKIN DISEASES, of whatever nature, are completely eradicated by the use of Fowle's Pile and Humour Cure; its effect is marvellous for Scrofula, Salt Rheum, Ring Worm, and even Leprosy; it has proved itself an almost never failing cure. (See special notice.) 3733

House Keepers! If you desire to get a profitable tea call on Baskerville & Bros. and have them to select for you. If the tea is not pleasing to your taste they will refund the money for what you return. Their wines, liquors and general groceries are of the best brand.

People's Tea Store,

IT is remarkable that the principal ingredients from which Fellows' Syrup of Hypophosphites is made are alkaloids, from trees which attain to a very great age. This, in connection with Fellows' Hypophosphites increasing the longevity of the human family, is a somewhat singular coincidence, and commands consideration in selecting remedies, particularly of a tonic character.

HEMORRHOIDS (or PILES) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per pot, or six pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame street, Montreal. 3742

HORSES SAVED.—The lives of thousands of horses have been saved during the past year, and the credit is due to "Darley's Condition Powders and Arabian Heave Remedy." This preparation is being extensively used, and exacts from all the highest praise. Nothing of the kind has ever before been half as successful, or given such universal satisfaction; it cannot be equalled. We can confidently recommend it, and would advise all who own horses to keep a supply of it on hand—it may be the means of saving your horse's life. Remember the name, and see that the signature of Hurd & Co., is on each package. Northrup & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medical dealers. 3796

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then had no attack of it. I would recommend it to all."—J. R. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horses as for man."—A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throat, &c., and is worthy of the greatest confidence."—Joseph Ruman, Township Percy, writes: "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." A. Mr. Hamilton, Warkworth, writes: "For weeks, I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee, of this place, induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.

Sold by all medicine dealers, price 25 cents.

BERKELEY, Sept. 1869.—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking "Norton's Camomile Pills." I applied to your agent, Mr. ——, Berkeley, for the above Pills, for wind in the stomach, from which I suffered exceedingly, for a length of time, having tried nearly every remedy prescribed, but without any benefit at all. After taking two bottles of your valuable pills, I was quite restored to my usual state of health. Please give this publicity for the benefit of those who may thus be afflicted.—I am, Sir, yours truly, HENRY ALL PASS. To the Proprietors of NORTON'S CAMOMILE PILLS. 399

PAIN-KILLER.

After thirty-five years trial, it is still receiving the most unqualified testimonials to its virtues from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for Bruises, Cuts, Burns, &c., but for Dysentery or Cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency, and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for Dyspepsia, Liver Complaints, and other kindred disorders. For Coughs and Colds, Canker, Asthma, and Rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be an inevitable medicine.

It is used Internally and Externally. Sold everywhere, Price 25 cts.

The course of instruction however, will not be exclusively classical, and boys will be specially prepared either for the University and Professions or for Commercial Life.

Most eligible premises have been purchased for the School in McGavin street one of the most beautiful localities of the city, and immediately adjoining the grounds of the McGill University.

Wall Paper.

McKAY'S

CHOICE AND BEAUTIFUL

WALL PAPER.

INCLUDING THOSE DEDICATED BY THE MANUFACTURER TO

Their Excellencies the Earl and Countess of Dufferin.

These Paperhangings are imported direct from the best Manufacturing Establishments in England, France, and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those toned with silver mica; but above all, they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in painting, enables him to reject, in his selection of Paperhangings, those coloured with poisonous pigments, so deleterious to health. The Public are respectfully invited to examine his STOCK of WALL PAPER before purchasing elsewhere.

As the undersigned is going out of the Room Paper Business as soon as his present Stock is disposed of, the Goods will be Sold at the Lowest Remunerating Prices.
