WHAT THEY SAY OF IT! A Few Facts about Electric Oil. This oil is a preparation of medicines which have withstood the impartial judgment of the people for any length of time. One of these is Dr. Thomas' Electric Oil. Real following, and we are convinced—That, though, for a few months past, there has been affliction with electric oil for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Electric Oil, and since then had no attack of it. It is a great public benefit."—Mr. Hamilton, Warkworth, writes: "For weeks, I was troubled with a swollen ankle, which annoyed me very much. Mr. E. T. REEVES, Testimonials. Mr. James L. YELLOE, Manufacturing Chemist.—Sir: For several months past I have used your Compound Syrup in the treatment of incipient phthisis, chronic bronchitis, and other affections of the chest, and I have no hesitation in stating that, in rare instances, it has removed the disease entirely. Being an excellent nervous tonic, it exerts a direct influence on the nervous system, and through it it invigorates the body.

It affords me pleasure to recommend a remedy which is really good in cases for which it is intended, when so many ad vertised are worse than useless.

I am, Sir, truly yours, J. S. EARL, Jr., M. D. St. John, N. B., January, 1868.
