WHAT THEY SAY OR IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for so long a time as those of Dr. Thomas Electric Oil. Read the following and be convinced—*—* "H. Robinson, Farthing Centre, P.Q., writes, 'I have been afflicted with rheumatism for the last ten years, and have tried every remedy without any relief, until I tried Dr. Thomas' Electric Oil. When I had no attack of it, I would recommend it to all.' —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, 'I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Electric Oil. It has given me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, &c., and think it is equally as good for horses as for man.' —Dr. J. W. Hamilton, Warkworth, writes, 'I have sold some hundreds of bottles of Electric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used,' it has done wonders in healing and relieving pain, sore throat, &c., and is worthy of the greatest confidence.' —Joseph Russan, Township Percy, writes: 'I was persuaded to try Thomas' Electric Oil for a lame knee, which I had for three or four years, and I am now four months better.
