Tenders may be for any portion of the Debentures, from \$100 upwards, and are to be at a rate per dollar, to which will be added accrued interest up to date of payment.

OTTAWA DEBENTURES \$35,000.—These bear date let March, 1872, and mature let November. 1891. Principal and interest are payable in Ottawa—the interest, at 6 per cent, half-yearly, on h

Help Principal and interest are payable in Ottawa—the interest, at 6 per cent, half-yearly, on in March and ist November.

The population of the City is now 24,258. Its debt, excluding the Water Works Liability, which is itself reproductive, is \$789,808. Against this there are all absolutely liable for the payment of these debentures, assessed property, \$11,574,656, Corporation property, cachading Water Works (Linest debentures, assessed property, \$11,574,656, Corporation property, cachading Water Works (Kingston the Binking Fund for the above debt, already amounting, to \$188,197.

Kingston—the interest semi-annually at 6 p.c., on the first days of interest are payable in the couple of the payment of the Debentures, is \$5,108,490.

The total debt of Kingston is \$470,000, and the assessed value of property, all of watch is interest coupons, payable is July next, are attached.

The total debt of Kingston is \$470,000, and the assessed value of property, all of watch is country liberation of the Debentures, is \$5,108,490.

In cases of more than one londer for the same Debenture or Debentures, preference will be given to the highest tender, and Debentures, of similar amount or less of the next nearest data preference for other Debentures.

London Debentures \$89,700.—These are all twentylyear Debertures, maturing as per schedule, at 7 p.c., in London, Unit.

The population of London is 18,413, and, with its suburbs, is nearly \$0,000. Its debt amounts to perty, belonging to the Corporation, to a very large amount within the City, all of which is absorbed in the London and Port Stanley Hallway, amounting to \$1,111,628, from which an annual revenue is derived, under the lease to the Great Western Ballway.

All of these Debentures form securities of the very highest character. To indicate the season in which Canadian Municipal Securities are held in England, it may be mentioned that the right is reserved to reject any proposals, and to allot a portion—only of any ball. The Payments to be exchanged at Montreal for the Deb Detailed Schedule of the Debentures, with form of tender, can be
