A CANADIAN IN ENGLAND

The Pall Mall Gazette says the Duke and Duchess of Edinburgh have left London for the continent. On the Monday Trinity House, at which the oaths were administered to Prince Leopoid, who was recently elected a younger brother. At the same time the Prince of Leiningen, also a younger brother, was sworn in-

THE PREMIER AT HER MA-JESTY'S COURT.

Saturday the Empress Eugenie visited the Queen at Windsor Castle. On Sunday the Queen, with Princess Beatrice, attended Divine service in the private chapel at Windsor Castle. The Rev. Professor Lightfoot, D.D., preached On Castle Ca Monday afternoon the Queen held a Council, at which were present the Duke of Richmond, Earl Beauchamp, the Earl der Mackenzie, Prime Minister of the Dominion of Canada, was presented to her Majesty. On Monday evening Prince and Princess Christian of Sleswick-Holstein hood, to which no two men in our colonies hotter antitled. It was a great and a successful voyage "and "Good bless you" were passed to be and God bless you "were passed to be and fro. There was no cheering at first, and it was not until one in the crowd, thinking that something was omitted, gave a feeble hurran that hats were taken that hats were taken of the provided that and the country of the provided that are the country of the provided that and the country of the provided that are the country of the provided that the country of the provided that are the country of the provided that the Hon. George Brown, of Toronto, by and good the country of the provided that the Hon. George Brown, of Toronto, by and good the country of the provided that the Hon. George Brown, of Toronto, by and good the country of the Crange hood, to which no two men in our colonies were better entitled. It was a great gratification to Mr. Mackenzie's Scottish
Countrymen to meet him at the conversazine of Lansdowne and Professor Max
Muller arrived at the castle on Monday,
and dined with the Queen and the Royal
family, and left on Tuesday. Professor
Max Muller presented to her Majesty the

Globe telegraphs, by cable, that the pre- particularly such as have their way to make in the world. Mr. Mackenzie, who sentation of the freedom of Dundee took place in Albert Hall, where there was a loveliest nooks in the most beautiful of -brilliant assemblage of five hundred ladies all Scottish shires, is the son of a cot-

some one each day in the usual way.
Something has now turned up which exercises the organ mightily. To-day, it is
anounced, the Liberals of East Kent hold
a convention to nominate a candidate for
that constituency in the Local Legislature,
and the was led to unite with that
brish residence in the locality we are set time he was led to unite with that
a convention meet at all? It
is an outrage which the organ

much unknown.

A residence of fourteen years here,
with a previous experience in Australia
and the Western States, admirably fit the
Doctor for that ploneer life in which he
delights, and the practical knowledge
acquired in the interior, which made him
a valuable member of the North West
Council, will stand him in good stead in
the new home which he was deleted in the interior, which made him
a convention meet at all? It
is like damning with faint praises
from them some distinction or
the prevent extent mobility of charand the Western States, admirably fit the
boctor for that ploneer in the supposed prerogatives, as Othello
delights, and the practical knowledge
acquired in the interior, which made him
as valuable member of the North West
Council, will stand him in good stead in
the new home which he bus chosen. In
common with a very large circle of friends,
working the provide a state of the object of the supposed prerogatives, as Othello
was of his wife. They sear leat some one distinction or
the previous experience in Australia
and the Western States, admirably fit the
boctor for that ploneer.

Most crusty persons are egotistical and
supremally selfish. They are jealous of
the delights, and the practical knowledge
acquired in the interior, which made him
may take from them some distinction or
the previous experience in Australia
and the Western States, admirably fit the
boctor for that plane and the way of his wife. They are jealous of
their supposed prerogatives, as Othello
was of his wife. They sea leat to meeter.

Council, will stand him in good stead in
the new home which he was led to unite or t be an outrage which the organism and outrage which the organism and the proved a salious and cannot believe will be tolerasked, that he 'proved a salious and control believe will be tolerasked, that he electors should nominate any one while Mr. MacKellar holds the seat Wicked or tell Perverse electors, Led, in suggest, however, that all faithful believe will be somewhat surprised at this outburst of feeling on its part. It was the Mail that sured to cultivate his mainty and he worked was the mail with a sured them a few weeks ago that Mr. MacKellar bolds the seat had been appointed to be almous expenses that all middly and the worked with the sured to cultivate his mainty and he worked was a consistency, and subsess convert his effect to raise in the worked will be somewhat surprised at this outburst of feeling on its part. It was the Mail that sured the ma few weeks ago that Mr. MacKellar bolds will be subjected to contain the sured to cultivate his mainty and he worked was much back and the man few weeks ago that Mr. MacKellar bolds will be compared by the company which accuses him of laking part in a point of the sured pointed and the worked with the sured to cultivate his mainty and the Wentworth; it was the same authority the county of Lambtonias its representative in the Canadian Legislature; and in political controversy while he had a Government appointment in his pockets; and yet its fat is all in the fire because a number of the electors propose to meet and nominate a successor to Mr. MacKellar. But how do we know that this convention

But how do we know that this convention

A Parisian lady called but her millings the other day to "take up" the character of a servanto. The respectable appearance of a servanto. The respectable appearance of the latter was begond questioning. But is she honest?" asked the lady. "It is innate. It reaches out in deeds, of the milliner; I have sent her to you with my bill a dozen times, and she has never yet given me the money."

do so for the purpose stated? The Mail, also said that Mr. MacKellar was his power. No stone was left unturned appointed Sheriff of Wentworth, and stand why may objection should be taken | they could bring sgainst him. His reply to the nomination of a fit and proper per- | touched a chord in the heart of the as well as compacreial capital, is scarce in lator, he has achieved splendid things for for both in unusual and not very likely prevent the electors from meeting when they choose, and nominating a candidate even if there is not a vacancy if they

SEVEN YEARS MARRIED. Accident to a German Girl in the Woman who was not Born to Live Steerage of an Oregon Steamer-Alone-Her Presentiment Fulfilled. Compensation for Disfigurement-

An interesting case, determining some On the 30th ult. Benjamin Abbott and of the rights of steerage passengers, was Mrs. Mary Pratt were wedded at Smyrna, decided in Oregon, in the United States Del. This is the seventh time the bride District Court, June 30. Ernestine Koch, has been led to the altar, and the Smyrna respectable German servant, girl of Times prints some interesting gossip conineteen years, emigrating from Germany, cerning her past life. The contracting on her way to Oregon, took steerage pas sage at San Francisco on the Oriflamme, a vessel of the Oregon Steamship Company. The steerage was crowded, and no a widower, with means enough (particuberth was given to her. On the passage larly if combined with her income) to she seated herself in the main steerage room, beside a pile of boxes containing tin, weighing about one hundred Henry Pratt of Kent county, who was the ounds each, some of which sliding last anti-Democratic Sheriff who has filled off, in consequence of the rolling of that office in that county. He was electthe vessel, fell upon her, stunning her, ed Sheriff in 1844 by the Whigs. His cutting a gash one inch long in her descendants, children, garndchildren, and prehead, which will deave a permanent great-grandchildren, at the time of his soar, and bruising her hands and legs.

After the accident she was somewhat neglected by the officers of the ship, and lay for several days in delirium and fever, and reaching port was confined to her bed for a number of days further, but so far as

fence alleged that she had been given a berth in the steamer, and had been dichildren. She however, has never suspected to remain in it out of the way of tained the maternal relation by consandanger; that in the main steerage room a guinity. She was reared in this comquantity of freight had been stowed, and munity, as have been all her husbands, so should not have been sitting there far as we can learn, and hence her record The Court held that even if she had been has been as an open book to all her seven The Court held that even if she had been given a berth she was not bound to remain in it; that she had a right to the use of the steerage room, and if the ship's officers took the liberty of stowing freight in it; that they were bound to the utmost that they were bound to the utmost care in securing it, and rendering it safe; that they did not display such care in stowing the boxes of tim. The Court allowed \$100 for the expenses of Ernestine's sickness, and the injury to her elothing; for the loss of time and labor, \$100; for the expense of employing counsel, \$300; for physical and mental pain, \$1,000; and for the permanent disfigureplayers "were imported especially for that game," or that the umpire did not give fair play, says the "Ottawa players are better at fabrication than scoring."

As to the umpire, Mr. Angliu, showing the visiting club any undue favour, it is certainly, to say the least, very remarkated of allowing any decision to pass unless it is in accordance with their awa interests.
