FARMERS... for people to allow
to become seated upon them rather
consult a physician, or to suffer as
many do for years with the different kinds
of piles, without going to a doctor for a drug
cure, for Fowler's Pile and Hemorrhoid Cure,
which is an infallible cure.

Housekeepers! If you desire to get a
printable tea call on Baskerville & Bros.
and have them to select for you. If the
tea is not pleasing to your taste they will
refund the money for what you return.
Their wines, liquors and general groceries
are of the best brand.

Hemorrhoids (or Piles) are permanently
cured by Mathew's Pile Ointment, or
by any refund. Price \$1 per pot, or six
for \$5. Sold every where. It has
been used for years, and has cured
more than any other medicine. It is
sold by all druggists, or will be forwarded
to any address on receipt of price.

Honus Says.—The lives of thousands
of horses have been saved during the
past year, and the credit is due to Dering's
Condition Powders and Arabian Harems
Remedy. This preparation is being
extensively used, and extracts from all the
highest praise. Nothing of the kind has
ever before been half as successful, or
given such universal satisfaction; it cannot
be equaled. We can confidently
recommend it and advise all who
own horses to keep a supply of it on
hand—it may be the means of saving
your horse's life. Remember the name,
and see that the signature of Hurd & Co.
is on each package. Northrup & Lyman,
Toronto, Ont., proprietors for Canada.
Sold by all medical dealers. Price
\$1 per box. For sale by all druggists.

These Paperhangings are imported direct from the best
Manufacturing Establishments
in England, France and United States. Great care has been taken in
their selection with regard to color. The ground tones are soft and pleasing
to the eye, especially those toned with silver lines; and above all, they are free
from the mineral poisons that many of the lavishly-colored Paperhangings of the
day are impregnated with. The Subscriber's long experience as a colorist, and being
thoroughly acquainted with the chemical composition of the pigments used in
Painting enables him to reject, in his selection of Paperhangings, those colored
with poisonous pigments, so deleterious to health. The Public are respectfully
invited to examine his STOCK of WALL PAPER before purchasing elsewhere.

Testimonial to Mr. Fellows.
We, the undersigned, I, clergyman of the
Methodist Church in Nova Scotia, having
used the preparation known as Fellows'
Compound Syrup of Hypophosphites, prepared
by Mr. James I. Fellows, Chemist,
St. John, N.S., or having known cases
wherein its effects were beneficial, believe
it to be a reliable remedy for the diseases
for which it is recommended.
