GREAT BRITAIN.

Crops in Spain. LONDON, July 26 .- A special from Lis bon reports that the drought in several districts of the Province of Manfo has destroyed crops and pastures. A famine is threatened and riots against grain exporters are imminent. Cattle are dying of hunger. The local authorities report that it will be impossible to collect taxes. In many places an attempt to do so, it is privilege feared, would cause an insurrection. Ac counts from Atgen show a similar state of affairs in that Province. The government is sending relief to those places.

In his beat has, after some years of experiment. hurry to go away, the thief left the jimmy ing, been brought into successful operation behind him. keeper said it was only a behind him.

The Visit of the Sultan of Zausibar t Birmingham

PRICE 3 CENTS.

On Saturday the Seyyid of Zanzibar visited the femous silver and electro-plate works of Messrs. Elkington & Co., in Newhall street. His Highness was ac companied by his suit and Alterman Biggs (ex-Mayor), Dr. Badger, Dr. Kirk (agent and Consul General of Zanzibar). and Mr. Clement Hill (Foreign Office sons assembled in front of the Queen's Hotel, and cheered the Sultan as he jeft Elkington's was half-past nine o'clock it was, however, nearly half-past ten o'clock before the party arrived there. carriages drew up before the portico en trance. Passing up the noble staircase with an imposing array of bronze figures and statues of the Kings of England on each side, the distinguished visitors were ushered into the show rooms. The sigh which meets the eye on entering this spacious apartment is most striking Down the centre and upon each side are tables and handsome cases, con-One of the longest and best contested games between second class teams took place on Saturday last between twelve of the Emerald Club and an equal number of the Montrealers, on the grounds of the latter. The public were admitted free, and largely availed themselves of the most costly plated and beautiful specimens of the launched from the yard of Thomas Coffin & Co., Clyde River, owned by Dennis and Doane, of Yarmouth, the builders and others. The ship Bonanza, I,200 tons, was launched at St. Mary's Bay, for Ryer and largely availed themselves of the son. Moses & Co., of Yarmouth. Hon. John Young, of Montreal, and F. the Seyyid. Having looked at several Administrative Battalion of Dunbarton shire Rifle Volunteers. He was then shown a basket of natural ferns, plated by a delicate process with gold and silver similar to the one presented to Her Royal Accident, Iliness, New Wheat, Cheese Highness the Princess of Wales. He next inspected the Brighton Race Cur London, July 26 .- A serious accident for 1875. The cup is at present unare represented, and above them tour bas-relief around the body of the cup are Samples of new wheat were shown in represented the old games of tilting and genuity and beauty of which are no less remarkable than the moderate prices at which they were produced. There were also a large number of beautiful and useful articles in course of manufacture for the BELLEVILLE, July 26. - A young man use of His Royal Highness the Prince of at cases filled with silver and gold ours things, the Seyyid appeared much inter A proclamation has been issued granting ested by the electro-depositing process instant, to allow our ci izens to visit the ducted are large vats and one of the largest electro-magnet machines in Eng land. The enormous strength of the machine was shown by the burning o thick iron and copper wire, at which the Seyyid was highly amused, for he laughed heartily when he saw the effect produced by the connection of the wire Row Fined - Charged with Bigamy out of the St. Maurice River, drifting in ducted, the Sultan was shewn the process. and his Highness gilded several coins of the realm, in the same vat in which a vase was gilt by the Princess of Wales. He took the coins away with bim, and was so The following from the Cincinnati En- much delighted with this process that he firemen buried under the fallen walls of operations, and on leaving the department he exclaimed to Dr. Badger that Birming ham was like "Bir-Minham" in Arabic
