Railway Matters.

From the Pentb of e observer On Saturday evening last a public meeting was held in Murray's Music Hall, which was addressed by Hon, A. B. Foster and William Moffat, Esq. Reeve, on this all engrossing subject. Mr. Foster said that if the town was prepared to guaranter him the right of way at once from the township line between Bromley and The Secretary of State, the honourable | Stafford to the water's edge in this town. by what is known as the Eastern route. with lits terminus at or about Supple's whart, or the western route, with its tereither route if it was offered to him on the spot, but as there appeared to be a differleft over a week and he would have the amstern route examined, he being already sufficiently well with the western, and would which route he should adopt. A resolu Hon. Mr. Letelline, Minister of Agricul- aion was passed guaranteeing the right committees were appointed to visit the parties whose land will be touched by the road on both routes, with the object o Vantage i m c possible. ... Numerous questions were put to Mr. Fester, and answeref by him as satisfactorily as it appeared possible they could be, and generally the meeting seemed sat and that we were at much desired railway communication. We need not we are of opinion, endeavour at any length to show that it will be to give advantage of the whole county that a railway should be brought into the county town as speedily as possible : has often been shown before, and the old arguments are just as forcible as ever

> tablishments will line the shores of our circulation, now lost to us because all our this is a fallacy is easly shown. Every family added to the population of the seil; the cost of bringing goods to the sumer, and in the article of sale alone, which everyfarmer consumes largely every year, railway facilities must inevitably elegapen it by about a dollar per bag, gain at once apparent; comparatively few of the farmers but require to purchase more or less flour and pork during the year. This too must be brought in much cheaper than by the present transport route, another immediate gain to the immediately surrounding townships will be immensely benefitted by the proposed zalway, and it must certainly be conceded.

We trust that the farmers through whose lands the road will pass will thus object of many persons our county, by presenting gratuitously, or cessary right of way. We have heard to-

ADDRESS TO PIO NONO.

The New York Priests' Address to the Holy Father on account of Cardinal M'Closkey's Elevation-Mgr. Ron" cetti's Remarks. from N. Y. Herall.

Yesterday afternoon the representatives of the priesthood of the grandlocese of New York met at the residence of Cardinal McCloskey, Madison avenue, and preented Mgr. Roncetti with an address to be delivered to the Holy Father on the lousignor's return to Rome. The adless had been read at a meeting of the pastors of the city held on Thurs lay evening in St. Patrick's School Hall, Mulberry street, by the Rev. Dr. McGlynn, pastor of St. Stephen's and was accepted as an expression of the feelings of the clergy on the elevation of Cardinal McCloskey to the new dignity. The Sisters of Mercy. the convent corner of Mulberry and ouston streets, had the original placed their hands on Thursday evening to be engrossed. In a nearly finished state yeserday it was presented at the Cardinal's esiden e and was considered to be a work of tare merit on the port of the Sisters. he illumination of the text, considering he brief time there was to make a design be beyond all praise.

At five o'clock yesterday afternoon the presentative priests assembled in one of he parlours of the Cardinal's residence, and, Mgr. Roncetti having been aummon sel to attend, the Rev. Dr. McGlynn ad-dressed the Monsignor in Italian, express ng the sense of the priests toward the ope's representative personally, and oward the Holy Father as the head of

The Ablegate replied that he accepted with pleasure she honour of being the bearer of the letter of the distinguished dergy of this illustrious diocese to the Holy Father. He thanked the clergy nd the laity for the reception he had eccived in this country, because he knew it was intended then that honour should be done the present occupant of the See of St. Peter. He would not fail to say signed and endorsed, "Tender for Heating bore of the clergy of New York than was Apparatus," will be received at this office expressed in the brief limits of a letter. and to tell the Holy Father of the devotion of the clergy and laity to the Holy See. Vicar General Quinn the , unde a few remarks in Latin, after which the Rev. Dr. McGlynn (who was, of course, the N. B., on and after Monday, the 26th instant, author of the addr as written in Latin) was invited to read the address to the

Holy Father, which was as follows :-

Most Holy Father-When you recently did so great an honour to our beloved says she was with her mother two or three Archbishop, one without precedent on days before she realized that she was the Continent in elevating him to be a being taken away from home. She re cardinal of the Roman Church, we, of the members Mr. Perce joining them, but clergy of this diocese of New York, could does not know where, not at that age being acquainted with towns, cities, accusing acquainted with towns, cities, accusing acquainted with towns, cities, accusing the sentiments of low york, could be filled with sentiments of low and low acquainted with towns, cities, accusing the sentiments of low york, could be filled with the fi but it was soon after they lest this city. He had changed his name to Charles Perce Archbishop to higher honours and to a (the ie as long e) and at once taught her greater sphere of usefulness for the to call herself "Mary Pierce," threaten Church of God, but also because we were ing her with severe punishment if she well aware that in his promotion you deair. told any one her name thad ever been ed to honour the whole Church spread Harrington. They spent about a year in throughtout this country and the country

And that he whom you, Meet Holy was engaed in raising cattle and sheep, at | Father, sent hither as your Ablegate, to be so well they remained in Texas for dignity, and whom because of his own some years and then removed to near merit and the cause of his coming, but Baxter Springs. Kan, when Mr Pierce who lespecially on account of you, who sent had been failing in health for a couple of him, we have endeavoured to the best of limit to the construction of Crab Works in extendyears, died about fourteen years a to leave our ability hast with fers entshearts to ents ing three sens by Mrs. Harrington, all of whom are now living. She says he was at one time a Universelect one gyman, and at the opportunity to another a Spiritual sty and that wherever but full of love and reverence for he went he of his fellow m n. Amid all her wander and for the See of Peter, to tell you ings and hardships she hever forgot that doubt that your Ablegate, both because or firms, except there are attached the actual he was not her father, on that her right of his kindness to us and his devotion to signifus and the nature of the doubt that and of our joy and gratitude. We do not be considered unless made strictly in accord-

said nothing to her mother about her meats toward you and toward the See of efforts in this direction, but having some + Peter; but now Your Holiness has bound how got an idea that she had resided in our hearts to yourself by a new and, if Boston, she at different times got friends possible, a closer tie, when you have to write to parties in that city making in thought well to bestow so striking a comquiries, which of course resulted in noth- mendation before the whole Church of ing. After repeated failures she gave up God upon the virtues and the long labours the tarm though ever alive to anything that might perhaps but her upon the father, and, at the same time, so honour right track. After Mr. Perce's death her this our city and diocese that you have this our city and diocese that you have mother cometimes spoke of her relatives, certainly given motive of new zeal for but never volunteered any information in every one of us to strive still more for the glory of God and the welfare of our

Bermit us, therefore, Most Holy Father The Sentinel and Pioneer, Fork Scott, Kaul, to repeat again and again our thanks ; where she now resides. The duties of premit us kneeling to pray God to prehousekeeping and caring for two children serve you to us for many a day, and to, were not sufficient to erase the intense save you and His Church from the hands onging to find her relatives. Her mother of its enemies ; permit us, last of all, to had frequently spoken of her family implore your benediction upon ourselves within a few years, and Mrs. Barter had and our people as a pledge of every
