A meeting of the Ontario Advisory Board in connection with the Centennial Exhibition at Philadelphia, will be held at Toronto on Wednesday next. Mr. Ira Morgan is the representative on the Board from this section of the Province.

We are informed by Mr. Ira Morgan that the Lawrence and Ottawa Railway, has effected arrangements by which return tickets to the Provincial Exhibition will be made good from the 15th to the 28th. This will effectually remove the cause of complaining on former occasions, that those who required to come early and remain late, return tickets owing to the short time for which they were good were not available.

Whitehall, Aug. 26.—John G. Withers, member of the firm of Withers, Kermis & Co. of Port Henry, died last night at his apartment. Withers for many years was actively engaged in the iron trade of northern New York.

There are at present in port a number of sea going vessels awaiting cargo, some of them for several weeks past. Some time ago, Captain Clegg was in Ottawa on business, and while there the stores of Mr. Birckett and Mr. Clegg were broken into, and a large amount of jewellery, ready made clothing, and a choice lot of revolvers stolen, the value of goods stolen being about \$700.

At the first of the regatta, the double scull race was the first of the regatta, the double scull race was the first of the regatta, the double scull race was the first of the regatta.

The presentation of prizes to the winners of the amateur regatta, took place to night at the ball room of the Grand Union Hotel. President D. B. White of Cornell University was present, and made a very happy preliminary speech.

Washington, Aug. 26.—A letter from Abbington, Va., reports the following: Jacob Wagner and Deputy Marshal W. O. Amin with a strong posse, have just arrived in charge of six prisoners arrested near Cumberland Gap, in Lee county, on the night of the 17th inst. The parties are charged with illicit distilling.

Quebec, Aug. 25.—It is the intention of Mr. Tremblay to run again for Charlevoix. His opponent is the Rev. Mr. Fournier who has returned to town from Ottawa.

Philadelphia, Aug. 26.—The steamship Ohio which sailed yesterday for Liverpool has included in her cargo 2,400 crates of Delaware peaches.

Montreal, Aug. 26.—Judge McKay's decision in the Montreal case to-day, unseating Mr. Devlin but not disqualifying him.
