OTTAWA, FRIDAY, SEPT. 3, 1875

THE GOVERNOR GENERAL. A cable despatch was received to day from His Excellency Lord Dufferin, a Clandeboye, Ireland, stating the intention

of the Vice-Regal party to sail for Can-

ada on the 'th October.

FOREIGNERS APPRECIATION OF THE CANADIAN CANAL SYSTEMS

thoughts. But Monday also revealed that Yesterday alternoon the Hon. Premier gave an audience to two Russian Civil Engineers, who have been despatched to this country in order to study its Canal system. They have also been invere agreed in declaring that Mr Sullivan was greeted with an audience which filled rivers of the Dominion and the sea he large theatre-the "first night auboards. The two gentlemen alluded to lience," as one of them has put it, " not are Messrs. Paul Michaeloff and Arhadie Guianzoff, and they are both in possession of credentials from His Imperial Majesty, the Czar, with full instructions to use their discretion the wording of their reports. The British cumstance." Not since Miss Cushman Minister at Washington furnished the gentlemen with introductions to the Premier, who received them most cornial: and afforded them all the information he oun numbered on the occasion of this could upon the subject they were enquir-Mr. Sullivan's first appearance. The ing upon. The canal construction in American public will gain immensely in Russia is at present in a most defective the estimation of the civilized world in condition, and it is the desire of the Czar to place it on a footing which cannot be equalled in the world. Hence his en-The His adel; bis man who was arrested terprise in sending practical men out to

NEW YORK NATIVISM.

study the systems of other nations.

The press telegrams have of late brought us little scraps of news which indicate | teenth century." We can't guess her, that " Know Nothingism" has again been revived in some portions of the United States, and candidates for political offices nominated under its auspices. The movement, however, evidently lacks vital stance that a pious old deacon there reity, and will certainly not attain to any- marked; "Yes, there was twenty-six on thing like its former proportions. Indeed, it may sarly be regarded as one of those skirmshing dodges which are always sure to take place beyond the outposts, when "Gone to bury my wife; return in halfan their long hair down, because otherwise the two great parties are preparing for hour." He was no relation to the lawyer "it takes so long to dry," it was the enfan the fray-a little piece of strategy, to who put upon his office door: "Be back | terrible who said triumphantly, " Mamma frighten or decoy the locse tish from the enemy's lines. So much for political nativism. The same ungracious and ut-

mean jealousy which is at the roo. that movement has been manifested in Hin't you been teedin' well's me in de tainly we will. Everybody knows that cerned, not entirely new way within the last week or two. The stry is briefly dis: Dat's sum 'er dem fellers dat wants frightful to contemplate the ravages of the this. Mr. Barry Sullivan, the eminent ter git der boots shined twice wid one ten tobacco poison. Would that we wielded Irish tragedian, has an engagement to cent dime; and agin, dar's sum wat tinks the pen of a Dickens, that we might vivplay "Hamlet" and other Shakesperian | it aint jestis. Dem fus ones is flashunists | idly portray the evil effect of the weed. characters at Booth's theatre, with a "Dat's it, jes it, an' I don't believe in has just drapped in and offered us a cigar, and as it looks like a good one we won t taneously Mr. E. I. Davenport, an Ameri A female servant in the family of a write any more just at present.-Rockcan actor of considerable reputation, gentleman in the Department of the Inwas offered and accepted an engagement | terior, Washington, is allowed to make a | The steamer Fanny was coming down at the triand Opera House to appear in Va Last summer, when she left, a subthe same parts with a purely American stitute was employed, a mulatto girl, who the pilot gave the signal to heave the lead. company. The management at Booth's had been quite well educated. She per The only man forward was a green Irishbilled Mr. Sullivan to make his debut on formed the duties in a rather indifferent man. "Why don't you heave the lead?" Monday night last as Hamlet; the Grand turned, she began her tour of investigation of turned, she began her tour of investigation of the pigs of lead nouncing Mr. Davenport in the same done, and was disgusted at the evident and threw it overboard. The mate, in role for the same evening. So far so good.

There could be no objection, and none

There could be no objection, and none was taken, to any amount of competition what it is, Miss ----, you can't get "Why don't you heave the lead, and sing between the rival theatres, and the attrac grammer and clean corners out of the out how much water there is 3" "The
