

LUKE TRAVERS.

A Tale of the Dominion, Commencing with the Year 1800. (Continued.)

There was a certain Christiana spent several years in the most arduous and dangerous service...

Such a queer looking place was Quebec at this time. The steep windows were the same in size as were the windows of the dwelling houses...

The liver is the great purifying (purifying) organ of the system, and the very appropriately been termed the "house-keeper" of our health...

The gentleman was a J. J. of ostentatious and unclouded loyalty, and meant and acted wisely.

It was a sad affair truly. The lady lived in her sorrow, and she would find in hatred of herself, to enjoy the bitterness of repentance in a foreign land...
