Manufacturers, etc., will be carried, taken care of, and insured, without any charge to the exhibitor, whose sole duty and responsibility will be that of preparing and producing.

The Exhibition will be a success financially as well as in other respects, and the Globe agrees with the opinion expressed in these columns a few days ago that Ottawa ought to and very likely will come in for her turn in the regular rotation which is now and extended will take the place of the system of selection which has so far obtained in the location of the show.
