bad sles, perhaps, but rather a difficult one to carry out. Should Uncle Sam be open to him, as in the case of "Mo hammed and the Mountain," another way (of which Robert Gere is President), and out of an unpleasant dilemma-he can Vice President of the Citizens' Savings just move it further North, into the Do- Bank. minion-which will perhaps suit as well. Oregon Territory, and of which the States every conceivable respect-in his of Nebraska and Oregon now form a part, family relations, social aspirations,

moment. It appears from the account in prises. question that Mr. J. J. Belden is the Of the other two members of the firm "manager" to Mr. Martin of New street "King" of the four, and his career has little needs to be said, except that they Whitechapel, and that he lived himself it on the whole been a remarkably success- were "made" by their friends, who took " school house lane, Chingford." It was ful one-sufficiently successful, it might them into a prosperous partnership, and lived in functional land in this lane that his wife and children have been supposed, to prevent him from gave them the best opportunity to make The prisoner's connection with becoming a party to the shameful frauds money, which they have done. The "Hen and Chickens" house in the Borwith which he has been charged, and for four are now awaiting trial for ough is explained. The house was let which he, along with his partners, are defrauding the State out of \$417,571 in shortly to be tried before the State Courts. When twenty years of age-and New York State, their bail amounting, ther's whereabouts is not known. The that is only thirty years since—he was inclusive of the double justification de police have received many anoymous keeping store in the village of Salin

a suburb and now a portion of the cr Syracuse; but, as the correspondent of the World remarks, he was "too active of \$505,975 has been attached. They are premises. and eager for his humdrum vocation," sufficiently rich to be able to bear the loss doubtless, the result of the combined of and tried his fortune at the "diggins" in of all this, for their wealth amounts to forts of Superintendent Garforth and In-California. He succeeded in a short millions, but they can never recover the spectors Fox and McDonald will be laid space of time in amassing some \$20,000 damage done to their reputation. It is a at the latter employment, with which he | pity, we repeat, that men who could have returned to Syracuse and met Denison, been so successful by honest means his future partner. Mr. Denison was a should have lacked the necessary princihad studied medicine in his early days, got his diploma, but abandoned his profession for contracting. He had already been fifteen years in the business when native of the same county as Mr. Belden, pie, and in their greed for gain done that in completeness. The Treasury, acting been fifteen years in the business when he met with Belden. Unlike too many couples in this world, Denison and Belden were really "a pair," They were evident-ly created to be in company, and their ly created to be in company.

CHAS, H. DITTORY of the light ly created to be a strange piece of evidence, and altogether at variance with the account given in these columns regarding Harriet Lane, was set forth by the witness Stokes; but it was company and closing piece of evidence, and altogether at variance with the account given in these columns regarding Harriet Lane, was set forth by the witness Stokes; but it was company and closing the company and c been fifteen years in the business when men.

terprising to a fault, and in addition their canal contracts, they built several railroads. They are engaged at presen in constructing a new witter reservoir for the city of New York, at a cost of half under the Schuyler and Utica contracts Mr. Belden is President of the Syracuse Northern Railway, which the firm built

and equipped from beginning to end. Except in so far as business tact and the ability to make money was concerned, there was litt e in common between the two men whose fortunes were thus linked together. Mr. Belden married the favour-They had but one child, who died young, and Mrs. Belden had thus an opportunity plunging into the fashionable vertex by which she was surrounded-of which, in, any of those domestic restraints which the thus secured him, supplementing in the fund of the Presbyterian church sive structure of the kind all round. His tember. hospitality, generos ity, and kind-hearted ness were the talk of the country, and his contributions to the relief of the poor as frequent as they were handsome. But wright, is carried another stage, This is by some unaccountable means, he was far Mrs. Wilmore, now living at Stratford. from being as popular as might have been | She knew Mrs. King-knew that she lived expected under the circumstances. It Wainwright at Sidney Square, Mile End. was "loudly whispered" that his money A twelve month ago, the 11th of Sep was as ill-gotten as Tweed's, and a year tember-on the very anniversary of which before the attack on the Canal Ring was day, it will be remarked as an extraordibegun, he was defeated in the contest for hended with the remai s—the woman, the Mayoralty of Syracuse by a majority Mrs. King, by arrangement with the prisof over a thousand-the only unsuccessful oner, engaged to remove to Stratford, to nomination on the Republican ticket of the house of Mrs. Wilmore. By this time that city. This was the first kick to Belden, The respectable society had already set their mark | boxes of Mrs. King were packed up and and his brothers-in-law

"Of the Onondaga Iron Company Vice President, and Secretary and Treasurer respectively. R. N. Gere, brotherin-law, is President of the Geddes and Syracuse Gas Light Company, of which afterward said that she had gone to Paris. Meaci Belden is Second Vice President, He, however, held himself responsible for and J J. Belden and W. H. H. Gere are trustees. N. S. Gere is President of the OTTAWA, THURSDAY, SEPT. 30, 1875. belongs, by good right, to us. It was de personal habits, and political leanings. nally. Whoever had buried it had, from livered over to the United States in 1838s He had married early—and married well, ignorance, perhaps, of the action of chloride of lime, or to cover the smell of by the provisions of the famous "Webster too-had a large family, and neither he decomposition, placed this disinfectant Ashburton Treaty," but known in Cans- nor his wife had any inclination to shine with the body in the secret grave, and dian history under the odious name of the in society: But Mr. Denison, it is said; the earth, thus largely mixed with a pre-"Ashburton Surrender." It by no means | was not without his expensive enjoyments follows, because "His Satanic Majesty - was, in truth, as dissipated as his senior failed to claim his own in the crowning partner was temperate, and as well proceedings, is stated to be five feet long carnage at Waterloo,"-at least Lord known and welcome at the feasts of Bac- by two inches. It should have been five Byron said so, upon the Duke of Wel- | chanalians as the other was in the secret lington coming unscathed through that conclaves of the Templars. In a comengagement that the Dominion will mercial light, it was a convenient kind of sible that whoever dug the grave, in not be in a condition at some future time | arrangement; and although Denison had | which it is now considered the body lay to claim its own-the State of Maine, in | the more dangerous part to play, and the the East, and the Oregon Territory in the less desirable company to keep, it seemed to suit his natural tastes admirably. It is said that his testotal senior sometimes MESSRS. DENISON AND BELDEN. visited the drinking saloons, and got slapped on the back by soakers and called the for it is for sale—it would most likely A Syracuse correspondent of the New "best fellow in the world," after he had disin the sewerage, thought by the unwhole-York World gives a rather lengthy and missed his 2,000 cold-water Templars for amusing account of four persons who the night; but as no insinuation of offences. That the body was removed from this have played a prominent — we might against his temperance professions and spot is unquestionable, and it seems also more properly say the prominent-part pledges is made, it may be taken for that it was dug up with the new spade, in the "Canal Ring" of New York State, granted that he looked in " merely with day night last with the new hatchet, both which Governor Tilden seems to have an eye to business." Mr. Denison was of which instruments were found in the been elected for the special purpose of also a Democrat, and for years held a house. The other articles found in the breaking up. We refer to Messrs. Deni- place on the State Committee of the house were a broken light-coloured silk | OTTAWA son, Beiden & Co., a firm composed of party. The other week he got a little band for the hair. The spade and hatchet four members, namely-J. J. Belden, foretaste, like Mr. Belden, of the price of are traced to the prisoner's possession, for "Doc." Denison, A. C. Belden, and dishonesty, for his name was dropped out he told Stokes to sell them, and he would Thomas Gale. The history of these of the list. He has always confined him- give him half of what they fetched, engentlemen will not be without its interest self to contracting, and did not, like Mr. to the Canadian public at the present Belden, involve himself in outside entered in the police court proceedings as

> connection with their canal contracts in stock was sold off in July, and the bromanded of their securities, to \$2,250,000, that is known for certainty is that the property belonging to them to the value the key belonging to his brother's lat-

LONDON'S GREAT MYSTERY The Strong Chain of Evidence against the Prisoner ..

ANTHUMPENTS OF WAINWRIG IT-THE TORY OF HARTIET LANE- STOKES FINDS From the London Times, Sept. 16. An extraordinary chain of evidence has now been comp'eted, leaving no reason

able doubt as to the identity of the woman whose mutilated body was discovered in Southwark on Seturday. Acting immediately upon the information of the witness Stokes, the divisiona police of Southwark, with the divisional police of Whitechapel, set about investi gating the private history of the prisoners, ite daughter of a wealthy and influen- and they four that the male prisoner had relation or a nuer' vable character with several women. As ve all, they found that he had cohabited with a woman tinction, they erected and appropriately and that when he visited her he was about three and a half years ago, when the Wingate Chemical Company, Mont lived. It is said he met her at Broxbourne Gardens, on the banks of the river Lea, a favourite resort of Londoners, and a place of highly respectable character. Her father first knew of her intimacy with the male prisoner by discovering that she was encients, and by her conession that Wainwright was the father of care of a growing family usually impose; her child, for she came to London on the while Mr. Belden enjoyed with evident discovery of her condition, gave up her satisfaction the prominence which was name as Harriet Lane—her true name and, with the full knowledge of her fammost approved fashion the movements of She often visited her relatives, and when his better-half. He was a temperatice urged by her father to return home, her man and a Republican, a leading Good answer was, "Wainwright keeps me like a lady." Exactly twelve mouths ago last Tempiar, had lodges named after him, was week her family lost all direct trace of trustee of the Methodist University her; and though telegrams purporting to of Syracuse, and contributed in a have come from her have been received. and letters in a man's handwriting, yet nothing has been known of her, even though all possible inquiries have been most expen. made, since the early part of last Sep

THE MIBBING WOMAN, Another witness now comes on the

scene, and the history of Harriet Lane as

Mrs. King, the wife of the prisoner Wainunder the protection of the prisoner Mrs. King had two children, of whom the prisoner was and is, for they are living pertion of still, the acknowledged father. removed to Stratford on the 11th of September last year, and the two children and the boxes were left in charge of Mrs. were mixed up with and controlled every Wilmore. Mrs. King having arranged to conceivable local enterprise, we quote be away for an hour or two, saying she had to meet Wainwright at half-past four the statement of the World's correspono'clock, then left Mrs. Wilmore, and from dent upon the point at full length. He that day, a twelvemonth ago last Saturday. Mrs. King has altogether disappeared, leaving no trace behind her, Mrs. Wilmore applied several times to the prisoner Wainwright, and his answer to her was that his late mistress had gone off with a Mr. Friske, who had gone to Brigh £5 a month from September until last saying that he should make it all up in November, by which t me he was in hopes, it seems, that he should have passed Photographs of Harriet Lane, altas Mrs. same style-curling over the foreheadas the bair had been worn by the woman whose mutilated remains were found in the bundles conveyed by the male prichapel road, to the premises, the key of which he held, in the Borough High street. The remains, which have been placed in a coffin fitted with a glass lid, Mr. Danies were seen vesterday by the relatives of courset Lane. The body was medically examined yesterday with more care than has been possible before, a .d it was found that it had been externally preserved in some respects, while decomposed intera mistake in the report of the police court feet by two feet, and it was a little over

> for a year, found it difficult to go deeper The motive for removing the body has umbrella, and, with the corpse, a velvet were his own. The prisoner was describ-

rounded with brick work, and it is pos-

to his brother Thomas last January, and opened in the hardware business. The

business success was almost without a parallel in the State. They soon had a monopoly of osnal work, being able, on account of the superior appliances with which they had provided themselves, to do their work at lower rates, and in shorter time than any of their compagers. They were energetic and en-

not been seen, and for the time, indeed, belief that this was the woman whose body was found. But when Stokes returned from the inquest room to where the witnesses were sitting he uttered exclamations of surprise, and, going up to REPORTED MISSING W MAN AT THE a woman who was sitting there, gave her to understand that he had made up his mind that she was the victim. That this woman had of late importuned the man Wainwright for money was true, for she roves to be the Mrs Wilmore who has the charge of the two children of the prisoner by the lost Harriet Lane, alias Mrs. King. Yesterday the relatives of Harriet Lane were again in attendance. and it is not saying too much to state that they appear to regard the body as that of the missing member of their family who cohabited with Wainwright as

who passed by the name of Mrs. Kirg, ty cured by Mathieu's Pile Ointment, or m mey refunded. Price \$1 per pot, or six sustained a spiendid house, entertained known as Mr. King.
