Simeoni, the Papal Nuncio at Madrid. His family was obscure; for centuries they were the dependants of the Coionnas; one looks through the records of that noble house he will almost always see a Simeoni filling the place of a tutor, a steward, a land-factor or the like. The ters. Cardinal Simeoni is seventy one years old. He had four brothers : one of them is now keeping a druggist shop in Rome: another, who was book keeper, is dead the third was a lawyer at fresingre, and was killed in a family quarrel some years ago; the fourth lives at Pagliano, where he manages the little landed estate which be longs to himself and to his brothers. Monsignore Simeoni began life as a tutor in the family of his traditional patrons, the Colonnes; but here he attracted the attention of Cardinal Patrizi, the Cardinal Vicar, who discovered in him talents and acquirements of no mean order, especially in his knowledge of and skill in the use Sir, -- In behalf of my family, I wish to of the Latin language. The Cardinal emacknowledge a debt of gratitude I owe played him in the Vatican from time to Shaughraun Company Mr. James I. Fellows. My daughter had time in writing Latin letters and drawing been ill with inflammation of the lungs, up ecclesiastical documents, and Pope had raised large quantities of blood and Pius IX, soon shared with Cardinal purulent matter, attended with every Patrizi a favourable opinion of the symptoms of donsumption. After obtaining studious, quaint and somewhat awkward the attendance of two eminent physicians, priest. In person he is short and thin; This TUESDAY Evening, OCT. 12th, who afforded her no relief, she was pursuaded to try Fellows' Syrup of Hypophosphites. Upon taking two bottles we had every reason to believe she would be cured. Her physician was surprised to find her improvement so rapid, and to place Simeoni in the vacant post. The advised her to continue its use, which duties of this post at this moment were LONDON ASSURANCE she did until her complete recovery. heavy, but the Pope had frequent reason I'wo years have elapsed, during which | to congratulate himself upon having time she has neither taken nor required devolved them upon one so prudent and

Propagation of the Faith, to the head of My wife, also having been in bad health | which Cardinal Franchi was at the same | MR. E. A. Mc DOWRLL, man for the place. Last March the Pope I believe, under kind Providence, Fel- placed him on the list of the cardinals re-

> who were ardent advocates of the dogme of infallibility before its promulgation were in favour at the Vatican is shown not only by the fact that none of the six new cardinals were of that school, but that two Silverware, Ladies' Gold . Watches, Oil of them were active inopportunists during the session of the council, and voted, in the earlier stages of the business, either non placet or placet justa modum. One of these is Monsignore Vitetleschi, who was born in Rome fifty seven years ago, and who was made Archbishop of Selucia in one of the most democratic and liberal BERMINGHAM'S SALE ROOMS prelates of the Church, and his liberal believed the Pope looked upon him with a certain displeasure. In 1846 Vitelleschi was President of a society known as the Labsristi, composed of secular clergy, who were at once learned, devout and zealous for the promotion of education among the people. They published a journal called ness to vote in accordance with his then

opinion. No sooner, however, had the decision been pronounced, than Vitelles chi, with equal sincerity, yielded his former opinions, and gave in his adhesion. Since then the Pope has shown him sey and even his carelessness in superintend ing the money affairs of the Chapter of the Basilica of St. Peter-a carelessness ier-was forgiven by the Pope. Never has caused some surprise. He is very

nade the next Pope. The next new Cardinal, Monsignore stock of silverware and other goods, to be sold by auction every evening at his rooms, Elgin street. He has positive infamily have possessed extensive estates for the last 400 years, and have given to the church and the state many distinguished and honourable servants. The guished and honourable servants. The father of the new Cardinal was a scholar cellent order, very little used and still as go designed. Luigi, is of the noble and wealthy family of eminence; his mother was the heiress as new. and last representative of the Dukes The furniture is the very best made distinction by accepting a station at the Vatican, he took up the real which endeared him to his people. In 1850, however, when he had led this life fourteen years, Pius IX, called him. from his parish and insisted upon making him Secretary to the Congregation of the Consistory, and a Canon of St. Peter's. Sixteen years afterwards he was made Patriarch of Constantinople At the Vatican Council he, like Vitelleschi, considered it unwise to define the dogma of infallibility, and voted placet juxts modum.
