a properety or otherwise of adopting objection to

Very respectfully, Conety B. H. Caisrow, CHESTER L. LEIST IN LONG.

tod - 1 : of ' adoms, New York.

It is med a mile or comprisable that we are

ry - re-entative would, they assert, be large would rejoice. at at a with a measure which would en e manyidual municipalities by a three on the vote to prohibit the sale of spirituis legiors within their own boundaries Vijether their ambigion, would reat at this ent is at course a matter of opinion, but even the opposituants of showing the extent of the good which might be accomplished by this Permissive Act is steadsally refreed them by the Imperial House all mg'r it may salely be presumed that while bud very little favor Indeed. In

the Dunkin Act, and even with this, as we have alread said, the majority of articles were generally free from prohibitory egistation on a general scale To put him up as a candidate for Parliais equal to the task of stamping out the ment seems to have unfitted which are rom it. A good deal of for the position which was

tely been exercised a good deal over a opos tion to alopt the Dunkin Act. A - mg a det sh subject, he objects to ving his private judgment interfered their this way the ought to remembers esponem, and that the majority of the operate. The one principle is just as that we are not bound to one spot of soil, and if our valued friend thinks rule of the majority in Nepean incon-

It is said the hoensed victuallers have also met and resolved to oppose the pon that subject we express no opinion of making a living in Nepean. At a rein the meantime, except to say that it is cent meeting they resolved to form an sincerely to be hoped no covernment will association for mutual protection, and a Mr. Workman's statement was that the the " cach licensed victualer ought to pay ad sence them in doing anything which "necessary lawful" expenses need not is not otherwise for the solid advancement, be very heavy, and each might contri-It will be a suembers | bute his share without a formal resolunight was waited upon last ten of this nature. The argument thation, in response to whose which they nope to convince the majority representation he to some extent read | that the a loption of the Act would be an sugar duties-a step which njustice is embodied in another resoluis the reuners, but strenoously tion, which reads thus: - "That as the or posed by the amporters. The question , heensed victualiers of this township em is one of consider . baving gone to great expense in fitting we publish and tup houses of public entertainment. a communication, 'think it an injustice to them to have se Muster of Customs on the Dunkin Act enforced in this town stressed by Secretary "ship, so long as the Government allows Customs at c the manufacture and importation will rist fy the policy " spirituous liquors into the Dominion. ht thought best to We do not doubt the perfect truth of the netances then bought assertion that the various hotels and inne we and will also show that throughout the township have been fitted se gamed and probably a up at considerable expense, but it is beg ging the question entirely to urge that as a reason why the people should not exex, - in view of statements made to the ercise a right which is theirs by law. The to an respectable sources als increased victuallers of Nepean fitted up their various houses with a full knowledge that they were liable to be prohibited are in a form selling biguor after a certain period peried by reports te ander the Dunkin Act. They were will. To the Editor of the Montreal Gazette: ing to undertake the risk, and cannot ereby annulled and the therefore in platice complain of the con. by Mr. White against the Hon. Alex. Machine therefore in platice complain of the con.

I for an against. If we felt sure that Cooper, Fairman & Co., in which firm the known to render necessary any com have the effect of decreas said Mr. Chas Mackenzie was interested, ment. As a stranger, who during the ment will immediate the consumption of intoxicating we wish to state distinctly that Mr. late dramatic season, has contributed with the sources tionably untrue. Mr. Ches Mackenzie high a position in the estimation of the drawback then whence the ranks of crime are recruited, was interested in the late firm of James citizens of Ottawa, it is only due to her or of raising the standard of morality among toe reopie, we should of course an in with the proposition heartily. The some time ago, and has never benefitted the rend tion of any piece, but not to proximity of the township to the city, by, nor participated in the slightest de wilfully misstate facts, as has been done, owever, and the facilities there are for gree in any of the contracts to when your regionter asserts that her efforts while the retained from evering the spirit if not the letter of the far as Cooper Fairman and Co. It is unnecessary to enter into any aw, make it very doubtful whether the are concerned, we would state that they criticism, except to remark that from the Dankin Act would really be fruitful of have merely acted as agents in all these much good. But the people themselves awarded to large firms in England, from pathetic and enthusiastic appleuse, and the probable effects which firms all the tenders to the Governing for the probable effects. A very large the sprightly and vivacious manner that the sprightly and vivaci a lept it has at least the merit of being in he man the direction. If the licensed victorial withstanding the critics assertion to the contrary) it is evident that there was some motive other than a desire to fairly inform the public of the facts actualing the process of the public of the facts actualing the process of the contrary township, they would have some appear- justly entitled to the award of contracts on their own merits. tion for the prevention of intemperance, ouce of ceason on their side; but if, on the and jet our temperance people are not other hand, it would be to put an end to s tisfied, be neving that legislative probithe traffic in which they are engaged, To the Editor of the Montreal Herald. bition will be more effectual than any per-Whatever the consequences to themselves

missive measure could possibly be enact- individually, it is but what they had a come acquainted with some of the cirof the subject, and the public at

THE TEEL RAIL CONTRACT

The exact position in which Mr the award of ontracts for the supply of inwardly regards it as not entirely satis. the sctory, and wishes somewhat that he had public affairs for which he has generally erness has been shown by politicians, corded him as an editor. Mr. Macthe desire to conduct the temperance kenzie's reply to his statements as to the turnic so as to bring water to the mill of steel rail contract could not have been | 30 St. Sulpice street. the .. own party, over the resolution arrived | more explicit or complete, and the only by the prohibitory convention recently resort left for Mr. White and his friends neld in Montreal. We do not intend was to acknowledge themselves slander ers, or endeavour to fix the onus of premake most men hesitate before taking it my speech, at the Peri, Hall, on Wednes tripping in a matter of verscity, or in error as to a statement of Richmond square meeting, last Monday Mr. White and his apologists, beieving doubtless that desperate diseases need desperate cures, and knowing full well the desperate character of the situation in which they were placed, appear to have taken that step without a moment's consideration. Their condition is thereby made only worse, as must that of any per son who wilfully circulates a falsehood and strives to give it the appearance truth by following it with other falsehoods White's prospects of election Montreal West before this -and they were

evidently not very bright-they must now

the Premier's brother was interested in a optract for steel rails, which he alleged

be blotted out entirely.

t would appear from the way in which Mr. White formulated his charge, that he thought the fact of the brother of the Minister being interested in the contract was something which in itself implied uption. This would indeed be an exrsordinary doctrine, and in the case of a gentleman belonging to a large family, would place a considerable proportion of warrant. Why should a man, because his prother has shown himself capable of ruiding the destinies of the country, be with the rest of the public for a contract. which he might under other circumstances, all necessary conditions being on the farewell performance of the above obs rved have awarded to him and receive | Company, should have found space in its profit from? The proposition is ridicuseriously entertained. It would be equal- dictated solely by private malice, and ly unjust to the public that the tender published in the paper without having which was otherwise the most favourable. ion of a Minister happ-ned to company, to the be interested in it. Mr Mackenzie's yourself, the remedy in your handsbrother, had, therefore, as good a right as any other responsible business man to should be promptly and unequivocally aptender for any work the public service plied. So accomplished were the leading may require to be performed, so long as the interests of the public were studied however, that Mr. Mackenzie's brother be one) and they have invariably been was not interested in this contract, and Mr. paid marked attention, even in our lead-Mackenzie said so wher upon a statement offered by Mr. Workman at the ships entailed by the profitless character time the charge was made is quoted to of their season, perhaps you will kindly show that the Premier told an untruth- allow me to state that, far from being firm of which Mr. Mackenzie's brother was was at once truthful and dignified, ers. It would be interesting, said "pert and pretty," is universally admitted Mr. White and his friends, to know when to have been on no oceasion more vi-Mr. Charles Mackenzie went out of the vacious and more captivating than in the partnership. The Premier had asserted c aracter of Volgate. That Mr. Harris' in the most distinct terms that no brother highly coloured picture is amply testified of his was interested in any contract given | by the large share of applause which fell out by the Government, and now Messrs. | to him, and by the long continued shouts Cooper, Fairman & Co., over their signa- which he had to appear before the curtures in the Montreal Herald, state that tain. Poor Miss Keilogg and her Charge Mr. Charles Mackenzie had ceased to of the Siz Hundred came in for the most have any connection with their busines | unkind and most unscrapulous cut of all some time prior to the award of the con. The piece is a favourite one amongst tract in question, and never participated public readers. So persistently, indeed, is it launched forth from stage and platin it, even to the slightest extent, so that form, that it may fairly take a place this ground of complaint, if it could form | alongside Lady Clara as one of the most such, is entirely taken away. As to the hackneyed of the day. Yet, sir, time allowed for sending in tenders, the letter of Mr. Darling to the Herald, of fr in the lips of that gifted and highly which a copy, along with other interesting | cultured lady. Should she at some furrespondence on the same subject, in annexed, is a sufficient reply. Mr. White by her admirers (and their name and his friends thus stand convicted of a willful and malicious slander, which can-

Sin,-With respect to the charge made | Kellogg), in misrepresenting the effect of cents per sequences. As to the wisdom of adopting Mackenzie, by improperly awarding a upon the stage proper, is too the measure, there is a good deal to be contract for steel rails to the firm of well established, where she Cooper & Co. in 1872, and for a time in that an untrue assertion should be imme the firm of Cooper, Fairman & Co., but he distely contradicted.
