Wall Paper.

McKAY'S CHOICE AND BEAUTIFUL WALL PAPER.
 INCLUDING THOSE DEDICATED BY THE MANUFACTURERS
 Their Excellencies the Earl and Countess of Dufferin.

These Paperhangings are imported direct from the best Manufacturing Establishments in England, France and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those tints with silver tints, but above all they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical composition of the pigments used in Painting, enables him to reject in his selection of Paperhangings those coloured with poisonous pigments, so deleterious to health. The Public are respectfully invited to examine his STOCK of WALL PAPER before purchasing elsewhere.
