OTTAWA, TUESDAY, NOVEMBER 9, 1875.

high praise given to the hon, the Attorney General. After glancing at the depression

of trade with matters relating to which

the Dominion Parliament had rightly

alone to deal, the speaker expressed his

gratitude for the bounteous harvest with

which we had been blest. Owing to the

due in a great measure the stoppage of the

cation measure, he animadverted on the

necessity of their being a proper under-

standing on educational matters between

the different classes of our people, and

our Province will have a right to enter;

those who have received their mission

from the divine founder of Catholicism to

this reform is asked for by the Catnolios.

On the first order of the House being expressed his belief that the Act to be ntroduced would prove satisfactory After some general expressions of appro bation on the Government, the hon. genmagny, in moving the adoption of an Montreal, Nov. 8. - Four more of address in reply to the speech from the Mr. Joly asked whether the address would be put paragraph by paragraph. The SPEAKER took the voice of the Mr. Joly said the reason why the Gov tion and generally reviewed the speech from the throne. He remarked on the importance of the Railway question, which put it in any other way than en bloc. He he expected would occupy them for a considerable time during the Session. He on the fluency and length of his address, congratulated the member for Montmagny briefly, but poetically referred to the but complained of its being too general climate, soil, beauty of scenery and im- there being no point that could be seized portance of unification throughout the Province. He pointed out the duty out. He claimed credit for his side of the of the members to consider the question House in introducing the ballot, as it was and their duty to their constituents as the pressure from his side and public they will have either to tell them "we have voted for this great enterprise, be He was sorry the member for Montmagny of a century ago, are to be presented with a set of new colours by His Royal Highness.

Well of B. C. Inomas, fortunately discovered in the first pail full pumped up door and escaped. The circumstance was from the well, before anyone drank from the well, before the well, before the well to be necessary to the country to be necessary to the well and the well would loose by it." With regard to the action of the Government, he felt that referred, and alleged that the decision of none could condemn it. The Govern-ment had not made any definite arrange unproperly laid case ; for that reason he ment with the companies. They had hoped it would not go to an appeal. He immense building, and the thieves had it only contracted to complete the works, remarked on the meagerness of the and asked the representatives of the peo-ple to share with them the responsibility. He regretted that the Government had not taken a proper stand in regard to the Government for so doing, assuring as it claims of the Province, the North Shore did, full liberty of action to the House, and the Northern Colonization Rail "Trois Rivieres" this morning, was robbed He remarked on the benefit enjoyed by roads being links in the Pacific the sister Province, whose railways had Railroad chain, and as such should have To-day Judge McKay granted a motion been constructed as branches of the Pa- been taken hold of by the Dominion postponing the trial of the Hochelaga cific Railway, and thought if we were as authorities in the same manner as the County local contested election case, strong in the counsels of the Dominion Georgian Bay Branch of the Canada (Beaubien respondent), till after the close | we might enjoy the same advantages. On | Central Railroad, &c. He moved, second-(Beaubien respondent), till after the close of the Session of the Local Legislature. It seems likely that the same decision will be arrived at in regard to the Montreal East and other election cases on the tapis, both Church and State are directly in-terested. A great change is announced, to their sid inasmuch as the to their aid, inasmuch as the by which the rights of both Catholics and North Shore, Montreal, Ottawa, Protestants will be respected. He remarked on the inconvenience of the present system, by which, annexed as it was lent system, by which, annexed as it was lent system, by which, annexed as it was lent system. to politics, the Minister of Instruction was not enabled to devote the whole of his time to the subject of instruction alone. That inconvenience would be obviated by withdrawing the department from political influences, and placing it under the high and salutary direction of the Superior Council, in which Bishops of our Province will have a right to enter;

Arrested - Judgment Against the then, can complain? Not Catholics; as passed asking the Federal Govern-TORONTO, Nov. 8.—Governor Green, of The Protestants, then? But, they, like of the Northern Colonization Railroad. ourselves, will have their Coun on the ground that it was a continuation ing. Nothing was done, and the enquiry was adjourned till Thursday next.

Michael Cahill, saloon keeper, who shot James Skelton for breaking into his place, was before the Police Magistrate this be scrupulously respected? He then party to go cringing to Ottawa to ask the convertigated the Herror and the Herror and the Herror and the Convertigated the Herror and the Herror and the Herror and the Convertigated the Herror and morning and was remanded. Skelton is on the success of their repatriation policy, last session. He went on to argue that and drew a graphic picture of the happy the line was not in fact a continuation of the Pacific, but only a connection, and the well known horse, Jim Christic, that the beautiful, rich and fertile districts in added that he preferred that the Pro-Government, Mr. Marchand said Mr. tended for Exhibition at the Philadelphia Centennial has been extended from Nov. 1st to the 15th of December, all over hostile attitude the downfall of the late takings on the North Shore and Northern London, Nov. 8.—The Evening Echo's special telegrum from Bombay says the Viceroy, the Admiral of the fleet, the Governor of Bombay, and many distinguished natives have gone on board the steamer Ferapis, now at anchor in the harbour, to meet the Prince of Wales. The Prince will disembark this evening. Preparations for his reception on shore are immense. There will be a universal holiday all this week.

Scale. One end of the ground floor will be occupied by Great Britain and the counter of the ground floor will be occupied by Great Britain and the common respite the conservative party had to sake the common to the prince of Wales. The Prince of Wales. The Prince will disembark this evening.
