NATIONAL DEFAULTERS.

A rather curious incident, arising out of facts connected with the usual festivi invite the official representatives at the Court of St. James of all foreign countries to these municipal dinners, which have grown to be the leading incident of the recess in the British capital; but several South American States, wercourse by quoting the report of a The exclusion from the Guildhall Banquet, he asserts, of any member of the diplomatic corps, was governed entire'y by the report referred to, which was the unanimous feeling of the committee from which it emanated. The discussion has been maintained with a good deal of animation for and against the Mayor, and one of the results has been to show how many of these "national peculators' there really are, as well as the amounts they are in default. Turkey has not yet been placed upon the list, but in justice to the others she ought to be. The fol.

The circumstances under which Mr. D. working men have been and are employ-B. Woodworth was excluded from the Legislative Assembly of Nova Scotia must city. Taxes, to be sure, are high, but still be fresh in most people's memories here are hardly any unoccupied build-It may simply be said that he formulated igs. Government, in support of which he was unable to give a tittle of evidence. The Committee of the Assembly appointed to investigate the matter accordingly completely exonerated the Minister against whom the accusations were preferred, not active one, both in the political and the one single member voting against the social world. The next session of Conadoption of their report in the House. A gress, which commences on the resolution was then offered, calling upon

Mr. Woedworth to apologise to Mr. Vail the House for having Washington during the summer. Hence made statements which, if true, would have convicted a member of the Govern ment of deliberate forgery, and being untrue, were of course gross and malicious fabrications, for which not the shadow of an excuse could be offered. The resolution, before being put to the vote, was amended, on the suggestion of Mr. Vail himself, so as to demand an apology to the House only. To this modified proposition Mr. Woodworth replied with torrents of vulgar insolence, refusing to do anything of the kind. A motion for his expulsion was afterwards carried by an overwhelming majority. An apologyhaving been demanded and refused, it was open to members to uphold the dignity and honour of the Legislature by punishing in the prescribed way the person who neglected to obey its mandate, or stultify themselves and set an evil precedent by acknowledging their inability to carry out legitimately started. Of course they chose the proper alternative, and Mr. Wood-
