Many others will feel glad at the luck of "the poor boy's" friends-the luck of the genuine Democrat who redressed the inequalities of fortune in Robin Hood fashion, and distributed openhandedly the superfluous riches which he tock from others. The Times connects Tweed's escape with the political reaction, which has carried back Tammany into the hands of the politicians whom Tweed re-

presented. The Colliery Disaster-Recovering the LONDON, Dec. 7 .- The work of recovering the bodies from the Swaithe main colliery, is still progressing. The number of fatalities is now put at 130.
