LACHINE CANAL ENLARGEMENT

Notice to Contractors.

SEALED TENDERS addressed to the undersigned, endorsed "Tender for Lachine Canal," will be received at this Office for the enlargement of this Canal, consisting of the widening and deepening from a short distance above Lock No. 3 or St. Gabriel Lock, upwards to the River St. Lawrence at Lachine; embracing the construction of a new lock at Cote St. Paul, taking down and rebuilding the upper portions of the present lock at that place, construction of regulating weirs, culverts, bridge piers, and a new entrance lock at Lachine, and the formation of a channel and basin on the south or river side of the existing entrance.

The works will be let in sections of the respective lengths indicated on a map of the line, which, together with plans and specifications of the various works, can be seen at this Office, and at the Lachine Canal Office, Montreal; at either of which places printed Forms of Tender can be obtained.

Tenders for Section No. 9, or what is called the "Rock Cut," and Section No. 10 at Lachine, will be received until the arrival of the eastern and western mails on Wednesday the 12th day of January next, plans and specifications for which can be seen at the places above mentioned on and after Wednesday the 5th day of January next.

For other parts of the works, tenders will be received until Tuesday, the 21st day of March next, and for which plans and specifications can be seen at the respective places above mentioned, on and after Tuesday, the 7th day of March.

Contractors are requested to bear in mind that Tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque, or other available security, for the sum of from *one to three thousand dollars*, according to the extent of work on the section, must accompany each Tender, which shall be forfeited if the party tendering declines or fails to enter into contract for the works when called upon to do so, at the rates stated in the offer submitted.

The amount required in each case will be stated on the form of Tender.

The cheque or money thus sent in, will be returned to the respective parties whose Tenders are not accepted.

For the due fulfilment of the contract, satisfactory security will be required on real estate or by deposit of money, public or municipal securities, or bank stock to the amount of five per cent on the bulk sum of the contract, of which the sum sent in with the Tender will be considered a part.

Ninety per cent only of the progress estimates will be paid until the completion of the works.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

Mr. Henry J. Morgan, Keeper of the Records of the Dominion, has been promoted to the rank of a Chief Clerk in the Civil Service.

The Quebec Legislature was prorogued on Friday afternoon at 3 o'clock by His Honour Lieutenant-Governor Caron.

TELEGRAPHIC SUMMARY.

Owing to the retirement of Mr. Tarte the Hon. Mr. Cauchon, President of the Council, has been elected for the constituency of Quebec Centre.

Our telegraph despatches this morning show a long catalogue of crime. One boy dies by the hand of his brother, a man persuades his wife with a poker, and then sets her on fire with kerosene. Some negroes get into a row with some whites, and a couple of them are sent to their long account. The festive season of Christmas has been celebrated on the other side of the line by filling its gaols.

Minister Foster has stated that if the Mexican Government did not afford protection to the citizens of Texas from the raids of marauders, the United States authorities would take the matter into their own hands.

A despatch from Madrid says that the old Royal Palace in Barcelona was partisally destroyed by fire yesterday.

Herr Rennerd, the correspondent of the *Schleische Zeitung*, in Bosnia, has been imprisoned by the Turkish troops and the Berlin foreign office has been asked to interfere in his behalf.

A report from Avon, New York, brings the tidings of a most destructive fire which seems to have made a clean sweep of most of the principal stores and places of business in the village. The property destroyed is valued at about $100,000.

General Callabero de Rodas is not dead as was reported.

The duration of the Court of Commissioners on the Alabama Claims has been extended to the 22nd July next.

His Holiness Pope Pius IX. has promised to lend some of the Exposition Works of Art from the galleries of the Vatican to the Centennial Exhibition at Philadelphia. His Holiness has expressed the most kindly feeling towards that object.

A CORRECTION

To the Editor of THE TIMES.

DEAR SIR,—In your report of the meeting of the electors of Victoria Ward published in your edition of yesterday, I am reported as having characterized the Board of Police Commissioners in a very rough manner. Allow me to say I made use of no such language as that described. Your reporter must have miscoustrued the manner in which I complained of the many violations of the License Act into a denunciation of the Police Commissioners. Much as I think that body could improve the present condition of things, I could not be guilty of referring to it in the language attributed to me. I am, Mr. Editor,

Sincerely Yours,
J. K. STEWART.

FRANCE.

Debate in the Assembly.

PARIS, Dec. 24.—At the Assembly today the Press Bill was under debate. M. Grevy proposed that the Press Laws and the state of siege be dealt with in separate Bills; that the state of siege be raised throughout the country, and the consideration of the Press Bill be postponed. M. Buffet defended the Government Bill as it stood. He denied, notwithstanding the result of the Senatorial elections, the existance of an Opposition majority. The Ministry would support the Conservative union both at the elections and in the Chamber. He pointed to the overthrow of several previous Governments, to which the whole Conservative population freely adhered. The Conservative union would appeal to all partisans with those Governments. He showed how the Bonapartists had supported the Senatorial candidate of the Left, and gained nothing in return, and asked, "Will our alliance afford them any less guarantee?" He concluded as follows:—"The Constitution of February 25th is not the last work of political wisdom, but we must admit that it is the law. If the country requires reorganization it must return to the Chamber men who are disposed to pursue, in conjunction with President MacMahon, a policy of social preservation and give aid to the victor of Magenta who will never become a docile instrument of radical passions." M. Laboulaye objected that M. Buffet averred that the country was a marshal without a republic. M. Grevy's proposal to legislate separately on the Press Laws and the state of siege was rejected by a vote of 376 to 303. The Bonapartists voted with the Government.

The Press Bill.

PARIS, Dec. 26.—President MacMahon has written a letter to Minister Buffet, thanking him for, and expressing his approval of his speech in the Assembly last Friday on the Press Bill. Ex-President Thiers has accepted the invitation of the town of Belfort to stand for the Senate. He has received and declined similar invitations from eleven departments. The Republican leaders are confident that in the general elections, partisans of the moderate Republican party will secure a majority of both Houses of the new Assembly.

More Shooting Affrays.

NEW YORK, Dec. 26.—During a fracas in Second street this forenoon, Augustus Zornow was shot in the abdomen, and died shortly after the occurrence. The dispute occurred between him and Wm. Johan in regard to the possession of a pair of pigeons. His companions in the quarrel named Casper Ross, Wm. Johan, Jacob Ross, John Oakley, and Henry C. Smith, were arrested and locked up to await the result of the coroner's investigation.

A Wife Beater—He Sets Her on Fire with Kerosene

Last night John Flannery beat his wife with a poker, inflicting injuries which will probably prove fatal. Afterwards he saturated her clothing with kerosene, and set fire to them, burning her about the body in a most sickening manner. While the poor woman's clothing was in flames and she writhing with agony, the brute dragged her about the room by the hair beating her with a broom handle. Flannery has been arrested.

Destructive Fire.

ROCHESTER, N. Y., Dec. 25.—A fire at Avon broke out at 1 a.m. on Saturday in E. M. Price's barn. The building and contents were destroyed, including three horses. It communicated at W. B. Calvert's dwelling, occupied by J. Burlingame, thence it spread to Price's cabinet shop which was filled with furniture. The flames seized St. George Hotel, C. H. Armstead, proprietor, thence to Taylor's shop, from there to Smith, Hall & Morris' dry goods store. The fire then swept eastward, taking in its course the frame building occupied by Michael Dowle as a harness shop, and over head by Giberts shoe factory; thence the fire communicated to Ferricks Heidenburg's tenement house, and by D. Kowley's hardware store, where by dint of extra exertion the fire was stopped; the entire business portion of the village is in ashes. Incendiarism is suspected, and the village had no fire apparatus. The losses and insurance are as follows:—Price's barn and contents, $2,500, no insurance; Calvert's frame house, $3,000, insured for $2,500; E. M. Price, $10,000, insured for $7,000; St George's Hotel, $13,000, insured for $12,000; Smith, Hall and Morey dry goods, $15,000, insured for $7,000; Henry W. Duffy, $11,100, insured, $5,000. Hedinberg, tenement house and hall, $7,000; insured. Loss, Avon F. and A. M. Lodge, $1,200. Rowley, stock, $5,000; insured, $3,000. There were a number of other small losses. Charles Armstead, son of the proprietor of St. George's Hotel, was struck on the head with a ladder, and it is feared fatally injured. Barney Lee, conductor on the Erie Railroad, had his leg broken.

WASHINGTON.

A Sad Drowning Accident—The Mexican Raiders.

WASHINGTON, Dec. 26.—Last evening a colored man named Simms, whilst driving home, crossing an old bridge, his horse became unmanageable, backed overboard with the wagon, and his wife and child and adopted son were drowned.

From official correspondence it appears that some time since Minister Foster asked permission of the Mexican Government for the regular troops of the United States to follow raiders across the border. The reply of the Mexican Secretary of Foreign Affairs was that the Executive had no authority to grant such permission without the consent of Congress, and it would not be prudent to ask such consent, as the sentiment of the country would not approve of it. Mr. Foster stated that he was authorized to give an assurance that the Government had no design of acquiring an extension of the territory, but said the acknowledgment of the Mexican Government of its inability to restrain the lawlessness of its own citizens would afford the strongest possible argument to all advocates of the acquisition of the territory there may be in the United States. Mr. Foster further stated that the citizens of Texas must be afforded protection, and if not given by the Mexican Government it would come from the United States.

Montreal Stock Market.

MONTREAL, Dec. 24.—The stock market was dull and inactive. Bank stock was somewhat affected by rumours of a failure in Toronto, which caused slight distrust. The tendency of the market at present is to firmness, in consequence of easy money, so long as there is nothing to affect confidence, but mercantile failures, which would have no effect at other times, are sufficient to weaken Bank Stocks at present. Sales—Montreal, 181 to 181½; City, 98 to 100; Merchants', 94 to 94½; Royal Canadian, 93½ to 94½; Jacques Cartier, 24 to 25; Telegraph, 160 to 160½. There are buyers of Mechanics at 22½.

Firearm Accident — Several People Killed and Wounded—Murder—The Green Eyed Monster.

MEMPHIS, Dec. 25.—To-day, while a party of boys were firing a toy cannon, in front of Specht's confectionery store, it exploded, and a portion of it struck Wiley Galloway, the nephew of Col. Galloway, editor of the *Appeal*, in the face, inflicting wounds which will probably prove fatal. Another piece struck a negro on his wrist, lacerating it horribly.

Last night, in Chelsea, Monroe Gibbs shot and killed Ike Walker, for the alleged seduction of his wife, and then shot her, inflicting a severe wound. Gibbs then attempted suicide, but was surrounded by a party of negroes, one of whom threw a handful of mud in his eyes, captured him and delivered him at the station house. All the parties were coloured.

LOUISIANA

A Conflict between Whites and Negroes—A Fatal Affray—A Wife Murderer.

NEW ORLEANS, Dec. 26.—A difficulty occurred in the forenoon between a few whites and negroes, which resulted in one or two of the latter being roughly handled. After that quiet reigned until about seven o'clock, when Barney McCabe, John Roussette and Jeantie Roussett, while standing in a bar in Bower's Coffee House, were fired upon by negroes; the first two named were instantly killed, and the latter probably mortally wounded.
