TO THE ELECTORS OF WELLINGTON WARD. Having been nominated to represent you at the Council Board, for the year of 1876, I hereby respectfully solicit your votes and influence to elect me. Yours Faithfully, J. C. JAMESON. Ottawa, Dec 29, 1875. 4031td

TO THE ELECTORS OF THE CITY OF OTTAWA. GENTLEMEN:— Having been nominated as a candidate for the Mayoralty at the City Hall yesterday, and some doubt being expressed as to my disposition in the matter, I beg to state that, on solicitation of a large number of my fellow-electors, I am a candidate, and that I will remain in the field to the end. Under these circumstances I here solicit your votes and influence to secure my return on Monday next. Owing to the short lapse of time between this and polling day I shall make it my object to fully explain my views and position to you at meetings in the different Wards. In the meantime, believe me, gentlemen, Yours, etc., G. B. L. FELLOWES. Ottawa, Dec 29, 1875. 4031td

THE MAYORALTY. To the Electors of the City of Ottawa. GENTLEMEN,— Having been nominated yesterday as a candidate for the Mayoralty of the city, I consider it but a matter of justice to my numerous friends, who then so favourably endorsed my candidature, to say that I felt quite confident, through their aid, my successful return could be relied upon. But as Mr. Featherston had of his own motion proffered that our respective claims should be submitted to the arbitrament of mutual friends, I was persuaded compliance therewith was the only course I could adopt without rendering myself amenable to the charge of causing an election turmoil when it might have been avoided. The proposal seemed to be so favourably entertained by the meeting, that I naturally concluded such a settlement would be approved and considered satisfactory to the friends and supporters of each party, and to the ratepayers generally.— This must plead my excuse for having assented to Mr. Featherston's proposal. Certainly, I had no desire to restrict, or in any way interfere with the prerogatives of the people, when I agreed to abide by the decision that might be arrived at by the ratepayers selected to pronounce upon the respective merits of Mr. Featherston and myself. As I stated to you at the nomination, in becoming a candidate for the honourable position of Mayor of this rising city, I am actuated by the sole motive of endeavouring by every means within my power to assist in placing its affairs in a satisfactory condition. My influence will be directed to curtail expenditures and to resist all illegal grants of money; to the maintaining of the rules of order, as enacted by by-law, for the guidance of the Council; and in no case will I consent to sign cheques until provision therefor has been made by the Finance Committee. My aim will be to discharge the duties of the office honestly and faithfully, in the best interests of all classes of the population irrrespective of locality. Having retired from active business pursuits, I am now prepared to devote the necessary portion of my time to the transactions of civic business; and, believing my past services and experience at the Council Board to have made me so familiar with the affairs of the city that I am warranted in appealing to the Electors of every section for their support on this occasion, I remain, Gentlemen, Yours Faithfully, C. W. BANGS. Ottawa, Dec, 29, 1875. 4031td

TO THE ELECTORS OF BY-WARD! GENTLEMEN,— We, the undersigned, beg to state, that having been nominated as Aldermen for the City Council for By-Ward, for the coming year, we respectfully decline the position, as it is the duty and interest of every French Canadian to create no division amongst his own countrymen. We therefore, upon these grounds, feel it our duty to resign in favour of the most popular and experienced candidate, MR. P. H. CHABOT. N. CHEVRIER, N. FAULKNER, N. GERMAIN. Ottawa, Dec, 28, 1875. 4030

NOTICE. Notice is hereby given that application will be made to the Legislature of the Province of Ontario, at the next session thereof, for an Act to provide for the registration of a certain Indenture, dated the 12th August, 1871, from the Canada Central Railway Company to Henry Lancelot Rodhead, and to make other provisions concerning the same. Dated this thirtieth day of October, 1875. E. J. SENKLER, Solicitor for Applicants. 3959w6

TEACHER WANTED, as Second Assistant in the Public School Department of the Township of Onslow, Pakenham.—Female with third-class certificate. Salary, $180. Applications with testimonials received until 31st January. DR. BURNS, Sec-Treas. 4027w3

The Montreal *Witness* says that Col. Bacon, of Montreal, Major Macdonald, and Mr. Wainright, of St. Andrews, have been convicted by Mr. Beaton, local Fishery Overseer, for catching trout during the close-time. The defendants pleaded guilty, in consideration of which the prosecuting officer was instructed by the Fisheries Department to impose a nominal fine. Each person was fined $2, and the costs amounted to $60. Pretty dear fishing.

We noticed in the Quebec newspapers that Sir George Gore was heavily fined for a similar offence, being a repetition. These examples we hope may go far towards correcting the bad impression caused by sportsmen in disregarding the fishery laws.

TELEGRAPHIC SUMMARY.

A telegram to the London *Times* says the British now hold all important positions in the neighbourhood of Perak, and that British power is now supreme there.

An explosion of fire damp in a Pennsylvanian mine caused the loss of three lives and a number of men injured. Carelessness was the cause.

The editor of the New Orleans *Vindicator* shot and instantly killed E. L. Pierson, a Republican member of the Legislature, on Sunday.

Charlie Ross is again said to have turned up, this time on a Montreal and Nashua train, but future developments must be waited for.

Later details of the hurricane which passed over the Phillipine Islands, report a loss of 250 lives, and large quantities of property. The crops have been entirely ruined.

A large portion of the business part of the town of Jasper, Florida, has been destroyed by fire.

A strange outrage was committed on Tuesday night in Louisville, Ky. A boarding-house was fired into by some parties unknown, when one man was killed and another seriously wounded. No reason is assigned for the outrage.

The United States Government will, it is said, resent any intervention on the part of the European Powers with the affairs of Cuba; as such intervention would imply a design of controlling affairs in localities contigious to the United States, thereby injuriously affecting the commercial and political interests of that country.

The United States Government has given notice to the British Postal authorities, that hereafter they will have to pay the full rate, 33 cents per pound, charged by the Railway Companies for the transport of mail matter across the American Continent, instead of six cents as formerly. This action, on the part of Postmaster Jewell, seems to have been hurried on because home postal authorities have demanded an immediate remittance of the amount due on account of Intercolonial Money Orders, amounting to some £100 000.

FOREIGN.

GREAT BRITAIN.

The Perak Trouble.

LONDON, Dec. 28.—A special from Perak to the *Times* says the British now hold all the important positions in that neighbourhood. Maharajah Lela has taken refuge in the Siamese territory. British power is supreme at Perak, only the murderers of Mr. Birch, the resident, being in arms.

Declined.

LONDON, Dec. 28.—A special to the *Morning Standard* reports that the Orleans Princes have decided not to take seats in the Senate or Chamber of Deputies. The Duc D'Aumale has written a letter declining the nomination for either House.

PHILLIPINE ISLANDS.

Great Loss of Life.

MADRID, Dec. 28.—Details have just been received here from the Phillipine Islands of a dreadful hurricane which occurred there on the 30th of last month. The storm was particularly severe in the Provinces of Albay and Camerines, which form the south east part of the Island of Luza. Two hundred and fifty lives were lost, and 3,800 dwelling houses destroyed. Many cattle perished, and the crops in all directions are ruined.

SPAIN.

The Elections.

MADRID, Dec. 29.—*El Oronista*, the Ministerial organ, states that the King will to-day sign a decree, ordering the general elections to be held on January 20th, and convoking the Cortes for February 15th.

Army Movements.

SAN SEBASTIAN, Dec. 29.—Considerable reinforcements have been sent to Hernani. Operations in Guippuzcoa will begin immediately.

FRANCE.

Reserving Rights.

PARIS, Dec. 28.—Ex-President Thiers has written a letter reserving the right of choosing between the Senate and Chamber of Deputies, if he should be elected to both Houses. He adds that all his wishes are for the establishment of a Conservative Republic.

The Press Bill.

The Assembly continues the consideration of the Press Bill in detail, and has adopted all as far as the 4th clause. An amendment has been carried, depriving Prefects of the power of summarily forbidding the sale of journals in the streets. The consequence will be to cancel orders now in force, by which the sale of seventy five journals in the streets is prohibited.

CHINA.

Censuring the Government.

SAN FRANCISCO, Dec. 29.—Files of Hong Kong papers contain the following: "Placards censuring the Chinese Government for arranging terms with Mr. Wade appeared in Pekin, but were immediately removed by the authorities. An uneasy feeling prevails among the native officials regarding recent negotiations. It is reported that new evidence implicating the Momein authorities in Margary's murder have been discovered." Telegrams have just been received indicating that anything but a satisfactory feeling prevails among the Chinese with regard to recent negotiations. They appear to bear out what was before stated that the difficulty has only been settled temporarily. Considerable dissatisfaction is felt among American residents of Tien-Tsin and Pekin at the order of Admiral Reynolds sending the United States steamer *Monocacy* to Shanghai for repairs owing to the unsettled state of affairs in Yunnan.

AMERICAN.

NEW YORK.

A Big Loss in Sugar.

NEW YORK, Dec. 28.—By the burning of the sugar refinery at Hastings yesterday, about 5,000 tons of crude sugar, and 5,000 tons of refined sugar, were destroyed. The loss is estimated at $500,000; insurance, $30,000.

That Libel Suit.

Papers were served last night on Mr. Beecher on a new suit brought by Francis D. Moulton for $50,000 damages for malicious prosecution. The indictments for perjury against Moulton, which were founded on Mr. Beecher's oath, and were not tried, at his request, form the basis of the suit.

Boss Tweed's Bail Forfeited.

Judge Donohoe gave decision this forenoon, declaring the recognizances of Tweed's bail on seven indictments, for felony, to be forfeited.

A Postal Difficulty.

NEW YORK, Dec. 28.—A Washington special says: Several months ago Postmaster-General Jewell called the attention of the postal authorities of Great Britain to the inadequacy of the pay received for transporting British mails across our continent, as our government received only six cents per pound for this service, while the railroad companies were paid at the rate of thirty-three cents per pound. A letter was thereupon written from here, saying that this increase would have to be made. An answer to this letter was due here a month ago, but none came. Yesterday a cable despatch was received from the British office, asking for an immediate remittance of the amount due on account of International money orders, amounting to about £100,000=$484,000. This request was considered extraordinary, as the money balance in favour of the British Government is always transmitted at the regular period. To-day a letter was written to the British authorities informing them that on and after the 1st of January our Government will claim 33 cents per lb. on all British mails transported across this continent. The amount heretofore paid for this service by Great Britain was about $20,000, while our Government has paid railroad companies more then $60,000 in excess of the sum.

Duncan, Sherman & Co.

Celebration.

ROCHESTER, Dec. 28—The Centennial year will be ushered in by the ringing of bells and firing salute.

Auditor Tracey Suspended

ALBANY, Dec. 28—A despatch was received to-night from Governor Tilden directing an order to be entered for Auditor Thayer's suspension. Thayer was served with a copy of the order for his suspension. His successor's name, if any has been appointed, has not yet transpired. The Commissioners of Canals found that the Hon. Francis S. Thayer, auditor of the Canal Department, had violated his duty in respect to public moneys in his charge.

WILKESBARRE, Dec. 28.—An explosion of fire damp occurred to-day in the Hutchinson mines, near Kingston, killing three men and severely burning a number of others. The explosion was in a portion of the mine not in use. A wall had been erected between the two parts, but an opening was made through it to-day, and some boys, against orders, went through with a burning lamp.

Charlie Ross Again.

BOSTON, Dec. 28.—Despatches from Concord and St. Albans state that a lad answering the description of Charlie Ross was placed on the Montreal train at Nashua last night, by some men who failed to provide him with a ticket. He gave another name at first, but finally said the men had made him tell a fictitious story, and that his name was Ross. He said he had lived in Philadelphia, that he had been carried away while playing with his brother Eddie, and that his mother's name was Annie. His appearance and story have so strongly impressed the persons who have him in charge that they will communicate with Mr. Ross. The lad is now at St. Albans, Vt.

WASHINGTON.

The Cuban Embroglio.

WASHINGTON, Dec. 28.—It is asserted in prominent circles that if, as reported from London, there is a new advent of European intervention in Cuba, our Government would inform such Powers as might combine for this purpose that their course would be highly offensive to the United States as it would imply a design of controlling affairs in localities contiguous to this country, thereby injuriously affecting our commercial and political interests, and for this reason apart from other considerations the United States would continue to act in the spirit of the Munroe doctrine.

MINNESOTA.

A Big Forfeit.
