

Night and Morning.

Book II.

William Gaitway was one of those men who are born to exert a certain influence and ascendancy wherever they may be thrown.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.

He naturally possessed high moral principles, beneath the surface of which, however, lay a power of their own.
