REFORMED EPISCOPAL CHURCH BAZAAR .-The ladies of the Reformed Episcopal Church, who conducted the Bazaar in Robinson's Block, Sparks street, with so much spirit and success, held a meeting lately in which they passed the following resolution :- "That the thanks of the ladies are due and are hereby tendered to Mr. J. WREK OF PRAYER-As these meetings advance they seem to increase in interest and the attendance gets larger and more numerous. Last evening the gathering in the basement of the New Dominion Methodist Church was larger than ever. Mr. Hunter presided, and able and eloquent addresses were delivered by Rev. Mesars. Young, Farries, and Cameron. The special subjects for prayer were the claims of philanthrophic and charitable societies and institutions, for all prisoners and captives, for magistrates, rulers, and statesmen, for the persecuted and oppressed in all lands. Prayers appropriate to the subjects were offered up by several clergyup. Pointed allusion was made by Mr. Cameron to what is known as the Oka outrage, which the Rev. Mr. Hunter took up, saying that it was not merely a Methodist question, but a Protestant one. A similar meeting was being held at the same time in New Edinburgh, which was doubtless equally well attended.
