MEETING AT DOUGLAS.

Another Orderly and Intelligent

Douglas, Jan. 12, 1875. From Pembroke the Hon. Messrs. Mackenzie and Tupper went Douglas yesterday morning, starting from the former point about 7 a.m., and arriving at their destination at about the electors had already gathered at one of the hotels, where it was believed, notwithstanding that the thermometer registered from ten to twenty degrees below upon the floor of Parliament that Sir John zero, the hon. gentlemen would make their speeches in the open air. Of course this somewhat ridiculous impression was fall when Parliament met in October

at once dispelled, and an adjournment was made to the village school house, which was soon filled to overflowing with an interested, orderly and intelligent an interested, orderly and interested, but he sales defined the for the sudience, there being quite a number of held the Government responsible for the ladies in the room, as was the case at hard times, but he alleged that they had both Beachburgh and Pembroke. On motion of Mr. James Ross, Mr. Dooner, Reeve of Bromley, took the chair,

meeting to be the discussion by two emi-nent public men, the Prime Minister and Dr. Tupper, of the leading political topics of the day. He hoped both would receive that fair and dispassionate hearing which the position they occupied, and the abilities of which they were possessed, justly entitled them to. He then formally in-Hon, Mr. MACKENZIE, who was received

After a few preliminary remarks, that the present Government had been The hon, gentleman proceeded to discuss under the necessity of cancelling between and dissect Mr. Whire's address to the 80 and 100 appointments made by their electors. He dwe't especially upon that gentleman's opposition to the Pacific Railway policy of the Government, and Parliament and the country. Dr. Tupper his allusion to the Reciprocity treaty. In had said that the way in respect of the railway, he remarked that the franchise was fixed in according to an arrangement made out what the policy of the Government was, or if he had found out, he had ne no parallel in any country, the glected to give the electors the benefit of Legislatures fixing the franchise in their correct information upon the subject; nor several Provinces. The contrary was the was it very clear what other project he was prepared to adopt if that in question were defeated. Mr. White professed to prefer an all-rail to a mixed land and water route. So did everybody, and no ferent States, some having universal water route. So did everybody, and no one more than the Minister of Public Works and the Government of which he was the head. What he (Mr. Mackensie) had proposed from the beginning to do, and what he proposed yet was upon and what he proposed yet was, upon reaching navigation at any point on the route, to take advantage of it until the railway could be built all the way. Did Mr. White object to that, and if he did object to it, why? It would be exceed. ingly interesting to know. Most people would have approved of it, as it gave to the amount he expended in the elec-

of the awkward fix in which that action

Mr. White to mention that he was

the London Emigration Office had last

tions, and concluded by asking the elecwest very greatly in advance of the completion of the railway, upon any plan his regret that Mr. Thomas Murray had whatever which it was possible to adopt. Did Mr. White oppose the opening up of the North-west, and if not, why was he opposed to utilizing Mackenzie and the Queen, a vote of the navigable lakes and rivers, pending thanks was passed to the Chairman, and Orange body into three districts, necessi. the navigable lakes and rivers, pending thanks was passed to the Chairman, and the construction of the connecting portated the election of three District Masters which took place last night and resulted as follows:—Western District, Mr. presentatives of THE TIMES and Office White's behalf, to the construction of the Owen Sound, who is charged with forging up the most direct, and by more than mon to prime. Petroleum-Crude, 71 to a mortgage on another man's property in be found from Montreal and Quebec to the County of Grey, and offering it for the Ottawa country, was equally unintelly gible, and it would require no argument to convince the people of the Dominion, but especially those of the North Riding
