The country, religious and sacred rights are are my comfort. You are not now able petition was at once made out and sent brought into the arena of politics, then to the Mayor for signature and despatched the Catholics have to follow them to the It is impossible to describe the force - by the night train to Toronto. Aldermen polls, and contend there for their right, as and fervour with which these words were the terms of the petition. They also left on Saturday night.

NEWFOUNDLAND FISH INSPEC-TION.

Some days ago we published a le ter from a correspondent, signing bimsel "Trade," on the subject of the Inspection of Newfoundland fish and the resolution arrived at by the Dominion Board of The Catholic does not permit his religion Trade in regard to the same matter. It seems that the resolution in question i likely to excite a good deal of adverse gion to his neighbours. When his reli criticism, for the Montreal Herald of gious principles are safe, the Catholic, recent date also publishes a letter from a under the impression that party Govern-" Fish Inspector," taking exactly the same grounds as did "Trade" in our own colthat which he thinks will perform its umns. "Fish Inspector" describes Mr. duties for the greater good of the coun-Lord's resolution as having been smuggled try, and the happiness of the people.' into the Board of Trade, no notice having been given on the official programme that it was to come up, and replied as follows: - " My LORD,he declares that it would not have been | have the honour to carried if any other than an ex parte state- ledge the receipt of your Grace's ment of the case had been submitted. It letter of the 20th instant. I thank you means no less, he asserts, if complied for the information you convey to the with by the Government, than a repeal of Government that priests in your Archthe Act referring to the Inspection of fish diocese are strictly forbidden to make and fish oils, and is in direct contradiction | the altar or pulpit of their churches the of the wiews expressed by the delegates tribune of political harangues for when the question of compulsory inspec- against any party or candidate tion was discussed, the sense of the meet | election, or to threaten any spiritual dising being that no further compulsory in - ability for voting with either party, and spection should be recommended, but for the statement of your general views that the existing inspection of fish and as to the rights and duties of priests and fish oils should not be disturbed. Mr. people in such matters. I believe that Lord's resolution, "Fish-Inspector" says, the country at large will receive with has been very cunningly worded, leaving great satisfaction the exposition of your the impression, where it asks that the views. It is a fortunate dircumstance same inspection be extended to fish and that the form of the Canadian constitution | written every day and evening communi fish oils which is accorded to harrings, renders it difficult, if not impossible, to that the Newfoundland inspection gave bring questions of religion into our satisfaction to the trade; while political arena, where the subjects proper the very contrary is the fact. From in- for debate are purely secular, and quiries made personally, from captains where, consequently, men of opposite in the trade and others, be religious views find no difficulty whatassures the public most positively that ever in uniting in the conduct of public there is actually no inspection of La- affeirs. The general principles of the brador and Newfoundland herrings. In party of which I am the leader are over 75,000 barrels of them which he has well known and thoroughly settled seen come into the Canadian market, not They include the independence one barrel was branded No. 2 or No. 3, Church and State, the amplest recogni although it was well known in the trade | ton of Civil and Religious Liberty, and that many of them were of these qua- the accordance of impartial justice and lities. Again, he has occasionally been | equal rights to every individual; irrecalled upon to verify the weight of bar- spective of his religious creed or his po-

rels branded 200 lbs., and they very sel- litical faith. These are the principles

dom actually contained more than on which the present Government has

190 lbs. He repeats in substance the conducted, and intends to conduct, pub-

assertion made in THE TIMES by "Trade" lie affairs, and I believe they are such

The horses went right away with upon the subject, and ask you, for the assed under the Inspection Law, all for which I know exists in Canada in regard to these matters-for I have talked of them with those who are high in authority among you, and with others whose names N IMPORTANT COMMUNICATION. are unknown, and find everywhere the His Grace Archbishop Lynch, writing truth -I ask you to give it a place in your columns. I will only promise that rom Toronto, on the 20th January, has every word is true, and I hold myself in addressed to the Prime Minister the fol eadiness, and shall deem it a privilege, to lowing communication :- "Hon. AND DEAR answer, through your columns, any ques-Sig,-I think this an opportune time to tions that may be asked in regard to it, or inform you and your Government that any arguments that may be advanced priests in our Archdiocese are strictly against it.

Correspondence.

I have never been in any way associated front, and won the heat and easily in 2:48, orbidden to make the altar or pulpit of nor a "ufaterialization," and though Moremant Tations and Section of Country in I rangues for or against any party or caudi- have, for the past ten years, been compelled to know that the "spirit" an accomplish whatever it wills, going where it listeth, iid not believe that fit used material things to accomplish its purposes-at least their people on the conscientious obligation a manner visible to our eyes, or pal-

ion of voting for the caudi late whom On the evening of January 19, 1876, aid aside the book upon which I had f the country, of taking bribes, and of conducting themselves at the elections in attention-a life of Charles Dickens. a loyal and peaceful manner. But they By the bye, and in a halt doubting, half old a seance. They readily agreed, and and one gentleman, around a small table, h our hands resting lightly upon it. fter a few minutes, a wave of cool air was table seemed swelling and heaving under our hands, though there were no rapy. It would neutralize his influence for good in too many instances, and a priest renote paper and lead pencil were lying upon the table. I put out a hand and true that a priest in his ordination does not renounce his rights of citizenship, nor uv volition of my own, began scrawling his congregation his own particular views pon the paper. At first, nothing was of politics. The Catholic Church asks no istinguishable, but upon questions being isked by others, "Yes," and "No," were

grawled in very illegible characters.

Harriet, Harriet," repeatedly-my own

rapidity, "Yes, yes," and continued, with " My DEAR HARRIET, -Love everybody, of the Protestant populace, and an ocworld. Never harbour a thought of anger toward any living being-never for an capacity, so long educated in the tradi-Hasten to make peace, perfect peace, prejudice and suspicion, not easily con. and love, perfect love, your very daily breath. Do this with all your might, with uered, that the Catholic religion should all your strength, and O! do it quickly- 493 yet be a bar to preferment, and that the without delay. My darling child, you are sitting among us without a word, a TINE RES tions and unfavourable to State rights. This is still the reproduction of the old pondering upon these things, even then

against yourself if you fail to act according my own little girl, I have so longed, so Large Commission & Cash Premuims make me so happy. I am with you, I am

their children as they please. "Train up a child in the way he should go, and the storm of my childhood days. I would when he becomes old he will not depart that all who fear that earthly affection from it." Hence, when the Catholics of dies with earthly life, might feel as I felt Lower Canada conceded the rights of how far stronger than any earthly speech separate education to the Protestant may tell, how far purer, how utterly unminority of Lower Canada, the Catholic selfish and all pervading beyond our minority of Upper Canada claimed the have gone to the other shore. A thousame right, but had to contend for this sand times more was implied than was right at the elections, and thus religious written, and much more was written than have here transcribed. In this world my father was not demonstrative, but now every expression of affection was repeated binder the progress of the country or until my heart was melt d within me, as the peaceful exercise of a different reliif during the ten years that have elapsed since we parted, his joy was almost too great even for himself to bear. All present were in tears, though I felt that they

could not half realize what was taking ment is a desser evil, gives his support to place Around each letter was a line of pale light like moonlight, visible only to me SEKEEPERS, with closed eyes.

After this, answers were written to quesions from other members of the circle which I subjoin, but one, for fear of making this letter too lengthy. "How long will the present hard times last?" Ans. "Until there is a complete overturn and re-arrangement of society in all its asects, social, moral, and political. Until there is a system of law which is not has regard to the welfare of humanity until there is a social code which has tion, until there is a religion preached and practiced that is able to save bodies and souls. The present system of religion is an open sepulchre, a grave which buries alive with cerements of forms and creeds all that is best and purest in human

ed, with increased demonstration; and III GII WINES wrote, alone for two hours, under my father's dictation. Since then I have cations from those who were the great ones of earth, to which in many instances were appended the signatures. Most of the communications I have received were signed "Melancthon," in the style which here give, and which I could not of myself imitate to save my life. I am constantly requested by them to give this all the publicity possible, to write it out gardless of opinion, regardless of scep ism, as with opinions or with scepticism favour, and leave opinions to take care of themselves; and, so help me Father of Spirits, and all Thy ministers, I will do
