Ottawa, Feb. 7, 1876.

Ald. LANG moved that the salaries of the assessors be fixed at \$450 per annum, and that the same do cover all charges for the assessors.

The motion was carried.

Ald. ROQUEUX objected to the amendment proposed by the assessor, and said that the report as so amended, he would not support.

The motion was carried.

Ald. LANG withdrew his amendment, and the report was adopted in its entirety.

REPORT OF BOARD OF WORKS.

To the Corporation of the City of Ottawa: GENTLEMEN,—Your Committee beg respectfully to report that in making a preliminary estimate of the cost of the proposed bridge at the Chaunier, it was found necessary to amend your report, and that the same be amended as follows:—

Your Committee have had under consideration certain proposed alterations required by proprietors on the line in view of the new bridge to be built over the street, which would make the appearance of the new bridge unsatisfactory. That he had interviewed the several parties, and had a view of the property, and that if the new bridge was erected, it would interfere with the head gates of the slide channel, and also place the new bridge in a position of disadvantage.

Your Committee have had under consideration the petition of the proprietors on the line in view of the new bridge to be built over the street, which would make the appearance of the new bridge unsatisfactory.
