STANDING COMMITTEES. Hon. Mr. MACKENZIE moved that a Special Committee of Seven members be appointed to prepare and report a list of members, to compose the Select Standing Committees ordered by the House. He said he had mentioned on Friday that some arrangement would have to be made immediately to authorize the Printing or some other Committee to take charge of the reports of the House. He thought that a Committee of the House should take charge of the reporting of the debates. He, therefore, moved, seconded by Sir John A. Macdonald, that a Select Committee of seven be appointed to assume direction, under orders of this House, of the reporting and printing of the debates .- Carried.
