DOMINION LEGISLATURE

Third Parliament-Third Session. HOUSE OF COMMONS.

THURSDAY, Feb. 17.

provisions of the law in England with those county of Saguenay? of the Act introduced last session, and

The Bill was read the first time. Crown by petition of right." He said:

You will recollect that last session the hon member for Hamilton moved a Bill on this subject which became law. At that time it was the general sentiment of the House and country that, while willing to accord to British subjects that remedy they enjoyed in England in matters in they enjoyed in England in matters in the Crown in Canada was constituted and the relation to British shipping and affecting shipping registered in Canada, &c. His object in moving for the address at this time was of purely national interest, and he disclaimed all party or political motives in acting in the matter. When on a former occasion he had made a shipping registered in Canada was constituted in the believed if we were to ask in a proper manner, and put our reasons in logical shape, we could secure this exemption. Look at the consequences if shippowners here are not exempted from the legislam motives in acting in the matter. When on a former occasion he had made a shipping registered in Canada was constituted in the believed if we were to ask in a proper manner, and put our reasons in logical shape, we could secure this exemption. Look at the consequences if shippowners here are not exempted from the legislam motives in acting in the matter. When on a former occasion he had made a simple were to ask in a proper manner, and put our reasons in logical shape, we could secure this exemption. Look at the consequences if shippowners here are not exempted from the legislam to the field. In this race, as in the following, the field. In this race, as in the following, the field. In this race, as in the following, the field. In this race, as in the following, the field. In this race, as in the following, the field. In this race, as in the following, the field. In this race, as in the following shape, we could secure this exemption. Look at the consequences if shippowners here are not exempted from the legislam t LADIES .- We are now showing the a delicate and new one in this country. thought fit to consolidate the laws affecting when a Board of I rade officer stepped on latest novelties in American collars and new one in this country.

There is also another reason for introducing an amendment. Provision was made by which the right of the subject was restricted to a greater degree of the Province of Quebec intend giving a ball in the new Parlia.

The members of the Dominion Government from the Province of Quebec intend giving a ball in the new Parlia.

The members of the Dominion Government from the Province of Quebec intend giving a ball in the new Parlia.

There is also another reason for introduced for that purpose. The Imperial Parliament, during the previous itwo or three years, had previous itwo or three years, had but she was allowed to denot when the laws affecting thought it to consolidate the laws affecting though the cargo of the season, the heats were very to be taken out, although she carried the same quantity for years. The American vessel had just the same cargo, and was sulted in a well earned victory for been endeavouring to do the same than in England, which had re
intended to the laws affecting the laws affe intend giving a ball in the new Parlia ference to a class of cases in regard to the tonnage of the British but she was allowed to depart. What mentary Library, on Monday, the 28th which under the English law can be Empire, and at the special request of that remedy would be sought if our shipowners instant. Invitations will be issued at referred to arbitration, are excluded from Government our legislation was permitted are denied exemption from this law. It being cognisable by our Court. That to stand over. The reasons given in the would be a simple one, but not one which clause embodied a very large class of despatches to the Canadian Government | would reflect credit on the country.
