Man Multisements. NO OLD ADVERTISEMENTS INSERTED IN THE

Pablic Notice-W P Lett

THE HOUSE OF COMMONS YES-TEKDAY.

After routine business, and the usual Government notices of motion had been disposed of, a message was read from the the report shows the most satisfactory Governor General thanking the House for state of affairs. The efficiency of the its loyal address. A second message from Dominion army is spoken of in the

His I cellency, transmitting the esti- highest and most complimentary terms and some good wholesome advice is given money required for Her Mato young officers, commissioned and nonce was also read. Hon. Dr. commissioned. It is urged upon them to : : "limister of linance on pay the strictest attention to their drill, what day the Budget would be brought to those in the ranks. The subscriber is instructed by Public Auction at his Carriage Factory, 160 Rideau street, new clothing issue-l is condenmed could not say at present. The House in flat terms as a facture; to use the words then went formally into Committee of of the report, - 'the shape of the frock " is extremely unpopular, and the serge Supply, and having passed the item for " material very bad. A shower of rain General's office the Speaker again approaching black. Money is always Mr. Mills' motion for a sele committee terials. Popular feeling must be re spected in a purely volunteer force, encouragement must be given to muntain mself as an out and out procondemn the serge frock, and for my tection st. In the course of his remarks own part, I think it looks unbecoming and proves unservicable. All desire he said that for twenty-five years, when ever he wout on a Canadian train or rai Br tish Army which the Militia with bethought that all the material used in coming pride desire to emulate. I re commend the universal resumption railway locomotion was made on the other side of the line, -a statement which that dress. The forage cap invented was met with a shout of rather densive here is equally unserviceable. Anything with paste board in its composilaughter. Mr. Davis (P. E. I.) followed tion is totally useless for a soldier's but his remarks were almost inaudible wear. The men complained that the He said, in effect, that the Province of Prince Edward Island was, as a rule, or former forage cap afforded no shade from the sun nor shelter from rain. posed to a protective tariff, but thought Militiamen are accustomed the year GEFAT AUCTION SALE that if such a taniff were adopted, it should be done in a way that would round at their ordinary work to wear broad brimmed hats, and so they dis-like the round forage cap; but I believe equally effect all class: s. He would not oppose the appointment of a com-mittee, nor if it was found necesthe Kilmarnock with a back and front sary a slightly protective policy, but hoped peak, as formerly worn by some regi ments of the line in India, would if it were found necessary that it would be answer the purpose, affording both imposed in such a manner as would shade and shelter, and causing a circu equally affect all classes. Mr. Holton lation of air round the back of the neck followed in a lengthy speech, the argu-A headdress combining grace and ment of which was rather difficult to follow. He avowed himself in favour of utility is a matter of taste still far from a certain amount of protection-that is, decided on. The Glengarry cap is smart, but would be worn probably for general sufficient to give a stimulus to at least a use and the shake is not required for the portion of the industries of the country Mr. De Cosmos did not believe that a short summer drills." Committee would be productive of any The following statistic table will show great good, but said he would offer an the numbers trained in each Province amendment in order to test whether the during the past season: —Quebec, 8,168; Ontario, 14,836; Nova Scotia. 3,033; New House and the Government were in favour of protection or free trade. He Brunswick, 2,124; Manitoba, no return proceeded to speak of the prosperity of British Columbia, 200; Prince Edward the Province of British Columbia during Island, 484. the past year, which had exceeded that of In regard to military stores, it is stated any preceding year, but he added that that there is now in reserve throughout the Dominion :- Gunpowder, 188,576 lbs; prosperity could not possibly last if the Dominion Government did not at once small arm ammunition, 6,902,163 rounds : proceed with the construction of the Snider rifles, long and short, 19,820 Railway. He contended Columbia was the only Province in the Dominion which had

camp equipment, for about 50,000 men. The Mounted Police is spoken of in the highest terms of praise and its maintenance ELGIN is urged in the most vigourous terms. It the balance of trade with the United States in its favour, and concluded by has already done good service, and the moving an amendment, which Hon. Mr. | men appear, as a rule, to be thoroughly Mackenzie said involved a redistribution satisfied with their lot. Some changes in of taxation, or involved nothing, and it the mode of arming are recommended, was therefore inexpedient or out of order. such as the substitution of the improved Adams revolver for the Smith & Wesson. Sir John Macdonald held that the motion was in order, but not at all expedient, The report denies that the force is, as subjects :seeing that the Government were about has been stated, "a complete failure," to bring down their Budget. A smart and cites several instances where it has little discussion sprung up on the point been of essential use, especially in the of order, the Speaker quoting from the protection of trading posts and the fur hunters. The force is efficient in every authorities regarding similar cases, generally to the effect that the amendment. respect, and its presence has been the although not out of order, was highly inmeans of promoting a feeling of security expedient, highly objectionable, and so throughout that country. The remainder on. He requested as a favour to himself, of the report is composed of the reports if the hon, member desired to take the from the commandants of the various sense of the House on the question, that military districts, and they are very he should withdraw the amendment in interesting reading. the meantime, and take another opportunity of offering it, when he (the Speaker) ART AN CANADA. would have had time to consult the authorities. assion (continued over from a previous

who made a vigorous onslaught upon the Government for not at once building the Pacific Railway. Mr. Bunster continued speaking till six o'clock, when the House took a recesa. slowly up to work again, and only a very small number occupied the benches when the Speaker took the chair. Mr. Wood resumed the debate on Mr. Mili's motion, and lengthy speeches were made by Messrs. Bertram, Wallace, and Blaine. Mr. Mills ably refuted the arguments of gentlemen who clamoured for protection. and assented to have the motion altered to read " manufacturing and commercial depression " instead of "financial depression." A lively debate followed upon the were oil sketches near Nyack and Rock propriety of still further smending the of Dutch heads, by Mrs. Lyman Cobb; motion so as to read "manufacturing, mining, shipping, lumbering, and fishing,

amendment, but this he refused to do.

as he wished to know whether his motion

was in order or not. The amendment was then allowed, and the general debate

was then proceeded with by Mr. Bunster,

The House then adjourned at 10.30.

but it was held that the original wording

covered all these, and the motion was

THE MILITIA REPORT.

The report of the state of the Dominion Militia, presented by Major-General Selby Professor Fisher, of the Ottawa Ladies' Smyth to the Minister of Militia and College, will give an organ recital on Defence, is a most interesting one. The Saturday week, in St. Andrew's Church. The February number of "The Musical Major General states that he has inspected Galaxy," a new publication devoted to most thoroughly the Dominion forces from literature, science and art, published by the shores of the Atlantic to the Pacific Messrs. A. & S. Nordheimer, of Toronto, Coast. He alludes also to the result of has just been handed us by Mr. W. G. Blyth, manager for the firm here. his conferences with the general officers contains a biography of Beethoven, a of the United States army, commanding in Montana, Washington and Oregan Terof the world, and some capital music on the course south 8210 west astronomically the southern boundary to be run on the course the southern boundary the southern below the souther ritories, to whom he was accredited by adapted to drawing room playing. We due west magnetically from the point of comthe American Government-results which | congratulate Messrs. Nordheimer upon | mencement. have already been submitted to the Department, and success among all lovers of art. reception. His official tour extended in point of time from the 24th May to the coming spring season in Dublin.
"Il barbiere di Seviglia" was given at 15th November, and embraced a distance the Academy of Music, N. Y., on Monday travelled in going and returning of about 11,000 miles, of which over 2,000 miles evening, with Adelaide Phillips as Rosina. Terms and conditions of sale will be made were performed on horseback, and 600 with pack animals. In speaking of the ment there some years ago with Parepa, Dated this 14th day of January, 1878.
