Summary of News.

At the Toronto Board of Trade, yesterday, on motion of Mr. W. H. Howland, the following resolution was carried: 'That this Board favours an increase of duties on imports in the interest of native manufactures, and they also request their representatives in Parliament to urge upon the Government the necessity of rescinding the free list, except on such raw materials as are not produced in Canada, so far as the United States is concerned, as long as they continue to impose heavy duties on articles now included in that list.'

AmERICAN.
