A REFUTATION

To the Editor of THE TIMES. DEAR Sig,-In yesterday's 'issue I observe a scurrilous letter from one Joseph Martin, reflecting on the character of Mr. LeSueur, Chairman of the School Management Committee of our Board. This hardly needs notice, as Mr. LeSueur's character and standing in society are well | Methodist Church of this city will, on known, and cannot be affected by the scribblings of a man who was expelled from the Toronto Normal School for misconduct! This was the case with Mr. Council of Public Instruction that it was building was commenced yesterday morn "Ordered that Mr. Joseph Martin be ex- ing, and carpenters are busy putting in pelled from the Normal School." Com | the window frames. ment is unnecessary.

I am, sir, yours, A SCHOOL TEACHER. Ottawa, Feb. 24, 1876.

COLLEGIATE INSTITUTE BOARD. To the Editor of the Times :-

Sig,-Attempts having been made to create an impression to the prejudice of Ald. LeSueur, in connection with the nonre-election of the Rev. Mr. Gordon as a Trustee of the Collegiate Institute, I deem it but justice to say that, so far from bis having tried to get himself nominated for that office, he had not the least idea that I intended to propose him. It was stated at the Board that Mr. Featherston would not accept the office, and knowing Mr. LeSueur's faithfulness as a School Trustee, I thought it would be well to substitute his name for that of Mr. Featherston; so I proposed him and the Rev. Mr. Gordon. Then some one said neither did Mr. Gordon intend to serve. At this point, Ald. LeSueur rose and said that Mr. McGillivray had, but a few hours before, to act. Mr. LeSueur could have no possible interest in opposing the Rev. Mr. Gordon at this particular point, his name being then associated with that gentleman's in the resolution immediately be fore the Council; so that if he had any desire to particularly serve his own interest, he would have remained silent Mr LeSueur voted for that resolution, and consequently for the Rev. D. M. Gordon to be again appointed as a Trustee. It is

therefore difficult to understand how Ald. LeSueur can be held to have tried to supplant the rev. gentleman. I have felt it my duty to lay this matter fairly before the public, as I was the person who proposed Mr. LeSueur at the Council Board. Yours truly,

Their Excellencies the Earl and Countess of Dufferin These Paperhangings are imported direct from the best Manufacturing Establish ments in England, France and United States. Great care has been taken in ments in England, France and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those toned with silver mica; but above all, they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in Painting, enables him to reject, in his selection of Paperhangings, those colours with points and property of the pigments. invited to examine his STOCK of WALL PAPER before purchasing elsewhere.

As the undersigned is going out of the Room Paper Business as soon as his present Stock is disposed of, the Goods will be Sold at the Lowest Remunerating Prices.
