CHAPTER II. Quid Virtus et quid Sapientia possit Utile proposuit nobis exemplar Ulyasem.

Meanwhile the object of their search, on quitting Mr. Morton's shop, had walked slowly and sadly on, through the after brushing up his memory, I found he sought been also a passenger !

was at the door, he ran out. It was a coach coming from London, and the driver was joking with a pretty bar-maid, who, in rather short petticoats, was holding up to him the customary glass. The man, after satisfying himself that his hold of them after all? Oh, never fear my nerves if I'm once in the right. it's living and garters! Will—so that's you!" At tremble."
the sound of the voice the man halted "Bother!" said the captain, "you need

hear all. Jenny or Dolly, or whatever ruined you!" your sweet pretty name is-a private room and a pint of brandy, my dear. ing, "don't-don't."

ly excluded every ray from his friend, you—years ago when you could have and then suddenly turning so that the benefitted yourself and your master's gained, he exclaimed,

"I tell you," said William, with something like decision in his voice, "that I instead of keeping 'em to it—you get will not do any wrong to these young men kicked out yourself—your wife begs you

if they live."

of voice proceeded. " Yez."

does not know that they are alive, but he escape-I bring you over-and here I am, says also that he does not know that they supporting you, and, in all probability, are dead." "Indeed," said the other, listening of the first families in the country. And

about them ?"

of calling. I have done some things in six o'clock, the captain ordered the best this town by way of business before now; dinner the larder would afford to be got and though it's a long time ago, yet folks ready as soon as possible; and, when don't forget a handsome man in a hurry they were again alone, thus accosted his vendors throughout the city. especially if he has done 'em ! Now, brother -

then, listen to me. You see, I have given this matter all the 'tention in my power. 'I now you go back to town—here are four shinest for you. Keep quiet—don't apeak to a soul—don't put your foot in it, that's all I beg, a id I'll find out whatever there is to bones in a coffin. But Mr. Beaufort need not know they are dead, and we'll see what we can get out of him; and if I succeeds, as I think I shall, you an't I may hold up our heads for the rest of our life.' Accordingly, as I told you, I went to Mr. Beaufort, and —Gad, I thought we had it all our own way. But since I saw you last, there's been the dayl and all. When I salled again, Will, I was shown to an old lord, sharp as a gimlet. Hang me, William of the two of the power of the course of the lord, sharp as a gimlet. Hang me, Wil-liam, if he didn't frighten me out of my "But I tell you, that I only care for my 1776

turned to the table, threw himself in a chair, placed one foot on one hob, and one on the other, laid his finger on his nose, and, with a significant wink, said in a whisper—"Will, he knew I had been lagge I! He not only refused all I had to may, but threatene I to prosecute—prosecute, hang, draw, and quarter us both, if we ever dared to come out with the tailed;—she must be active and brisk, and the following of these events are sure to be of great interest and importance, especially the lutely. "But certainly it is a hard thing to be so poor at my time of life; and so honest a man as I've been, too!"

Captain Smith went a little too far when he said that "honesty's nothing without force of character." Still Honesty has no business to be helpless and draggle—tail the corruptions and misdeeds of Great states of Grant States. All of these events are sure to be of great interest and all of tasms and everything connected with them will be fully and freshly reported and expounded in The Sux.

The Opposition House of Representatives, taking up the line of inquiry opened years age by Tris Sux, will sternly and diligently force of character." Still Honesty has no business to be helpless and draggle—tail the cotion of a result to be of great interest and importance, especially the lutely. "But certainly it is a hard thing two latter; and all of tasms and everything connected with them will be fully and freshly reported and expounded in The Sux.

The Opposition House of Representatives, taking up the line of inquiry opened years age by Tris Sux, will sternly and diligently force of character." Still Honesty has no business to be helpless and draggle—taking the foundation of the state to be of two latter; and all of tasms and everything connected with them will be fully and freshly reported and expounded in The Sux.

The Opposition To be opened years age by Tris Sux, will sternly and diligently force of character." Still Honesty has no business to be helpless and draggle—take the corruptions and misdeeds of Great interes truth."

improve the condition and relieve the interest to take their side if we could make our bargain out of the other. 'Cause why? Y at are only one witness—you are a good fellow, but poor, and with very shaky nerves. Will. You does not know what them big wigs are when a man's cased in a witness box—they flank one up, and they flank one down, and they bully and bother, till one's like a horse at Astley's dancing on ho' iron. If your testimony broke down, why it would be at the condition and relieve the suffering of the horse. Those who will not suffering of the horse. Those who will not use the condition and relieve the suffering of the horse. Those who will not use the condition and relieve the suffering of the horse. Those who will not use the condition and relieve the suffering of the horse. Those who will not use the condition and relieve the suffering of the horse. Those who will not use the world, and we shall continue to give in its columns, allarge amount of miscellaneous reading, such as stories, tales, poems, setentific intelligence, and agricultural information, for which we medy," and you will be satisfied with the result. Remember the name, and see that the signature of Hurd & Co. is on that the signature of Hurd & Co. is on that the signature of Hurd & Co. is on that the signature of Hurd & Co. is on that the signature of Hurd & Co. is on that the signature of Hurd & Co. is on the continue to give in its columns, allarge amount of miscellaneous reading, such as stories, tales, poems, setentific intelligence, and agricultural department especially is one of its prominent features. The fashions and so are the markets of every kind.

The Weight Park of the horse. The world, and we shall continue to give in its columns, allarge amount of miscellaneous and stories to make room the will be satisfied with the stories to an additional department of miscellaneous and agricultural department especially is one of its prominent features. The fashions and so are the markets of every kind.

The Weight Park of miscell testimony broke down, why it would be === become of us? Besides," added the captain, with dignified candour, "I have been lagged, it's no use denying it; I am back before my time. Inquiries about your respectability would soon bring the hecome of us? Resides " added the care. respectability would soon bring the manlike style. bulkies about me. And you would not have poor Jerry back to that d--d low place on t'other side of the Herrin-pond, STREET, near By W" Market.

"Ah, Jerry ?" said William, kindly CORNWALL placing his hand in his brother's, "you know I helped you to escape; I left all to though, as to leaving all, why you had got rid of all first. And when you told me In various Weights and Sizes, saw our way to a snug thing for life? But Sulfahle to return to my story, There is a danger

"So you did, and you're a good fellow ; soout one marriage, did not I say that I in going with the youngsters. But since, Will,—since nothing but hard words is to be got on the other side, we'll do our duty, and I'll find them out, and do the best I can for us-that is, if they be yet above ground, And now I'll own to you that I think I

knows that the younger one is alive." "You do?" "Yea! But as he won't come in for anything unless his brother is dead, we taining list of 3000 newspapers, and estimates must have a hunt for the heir. Now I showing cost of advertising.

told you that, many years ago, there was a lad with me, who, pulling all things together-seeing how the Beauforts came after him, and recollecting different things he let out at the time-I feel pretty sure is your old master's Hopeful. I know that poor Will Gawtrey gave this lad the address of old Gregg, a friend of mine. So after watching Sharp off the sly, I went that very night, or rather at two in the morning, to Gregg's house, and,

plashing streets, till he came to a public | that the lad had been to him, and gone house in the outskirts and on the high over afterwards to Paris in search of road to London. Here he took shelter Gawtrey, who was then keeping a matrifor a short time, drying himself by the mony shop. As I was not rich enough kitchen fire, with the license purchased to go off to Paris in a pleasant, gentleby fourpennyworth of gin; and having manlike way, I allowed Gregg to put me learned that the next coach to London up to a nice, quiet, little bit of business. would not pass for some hours, he finally Don't shake your head-all safe-a rural settled himself in the ingle, till the guard's horn should arouse him. By the same coach that the night before had conveyed Philip to N—, had the very man return I went to call on you, but you were The poor fellow was sickly and wearied flown. I half suspected you might have gone to the mother's relation here; and I thought, at all events, that I could do a coach and the trampling of horses. better than go myself and see what they Not knowing how long he had slept, and knew of the matter. From what you say imagining that the vehicle he had awaited I feel I had better now let that alone,

time was not yet come, was turning back to the fire, when a head popped itself out of the window, and a voice cried,—"Stars hearing you talk wickedly, that makes me

abruptly, turned very pale, and his limbs | not crow over me. | Stand up, Will ; there trembled. The inside passenger opened now, look at us two in the glass! Why, I the door, jumped out with a little look ten years younger than you do, in carpet-bag in his hand, took forth a little long leathern purse, from which he ostentatiously selected the coins that paid his fare and satisfied the coachman, and then, passing his arm through that of the acpusintance he had discovered, led him murried—you farmed—you lived honestly, and yet that d—d shilly-shally disposition "Will-Will," he whispered, "you have been to the Mortons. Never moind-let's day, and scared out of another to-morrow,

"Jerry! Jerry!" oried William, writh-Hot water and lots of the grocery. That's But it's all true, and I wants to cure you of preaching. And then, when you And as soon as the pair found them-selves with the brandy before them, in a bold face on it, and setting your shoulder small parlour with a good fiire, the last to the wheel, you gives it up-you sells ! comer went to the door, shut it cautious-ly, flung his bag under the table, took off all, to Boston, because some one tells you his gloves, spreat himself wider and you can do better in America-you are wider before the fire, until he had entire out of the way when a search is made for back might enjoy what the front had family without any danger to you or menobody can find you; 'cause why? you "Damme, Will, you're a practty sort of could not bear that your old friends in Enga broather to give me the slip in that way. land, or in the colony either, should know But in this world, every man for his that you were turned a slave-driver in Ken tucky. You kick up a mutiny among

to go back to Australia, where her rela-"Who asks you to do a wrong to them? tions will do something for you-you -booby !-Perhaps I may be the best work your passage out, looking as ragged friend they may have yet-ay, or you to , as a colt from grass -wife's uncle don't though you're the ungratefulest, whimsi- like ragged nephews-in-law-wife dies callest sort of a son of a gun that ever I broken-hearted and you might be breakcame across. Come, help yourself, and ing stones on the roads with the convicts, don't roll up your eyes in that way, like a if I, myself a convict, had not taken com-Musgletonian asoide of a Fye-Fye!" passion on you. Don't cry, Will, it is all Here the speaker paused a moment, for your own goal—I hates cant! and with a graver and more natural tone Whereas I, my own muster from eighteen, "So you did not believe me when I dressed like a gentleman-kissed the told you that these brothers were dead, pretty girls - drove my phaeton-been in and you have been to the Mortons to all the papers as the celebrated Dashing Jerry'-never wanted a guines in my pocket, and even when lagged at last, "Well, and what have you learned?" had a pretty little sum in the colonial "Nothing. Morton declares that he bank to enlighten my misfortunes. I

think that he does not know anything Will; -in this world, honesty is nothing without force of character! And so your "Hum! Is he's sort of a man who would Here the captain emptied the rest post down the rhino to help the search ?" the brandy into his glass, drained it at a "He looked as if he had the yellow draught, and, while poor William was fever when I said I was poor," returned wiping his eyes with a ragged blue poc-William, turning round, and trying to catch a glimpse at the fire, as he gulped saked what coaches would pass that way brandy and water. to _____, a seaport town, at some distance. On hearing that there was one at

Here Captain Smith (the reader has, no doubt, already discovered that the speak-saying they are alive one can make old an Opposition House of Representatives, and Saying they are alive one can make old an Opposition House of Representatives, and Saying they are alive one can make old an Opposition House of Representatives, and the first since the war, will be in power at Washington; and the year of the twenty-four nervous strides across the room, respectively. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the United States. All of these events are sure to be of turned to the table, three himself in a

"It is among the most savage and debased tribes only that the condition and to think. I saw that it was up with us, so far as the o'd uns were concerned; and now it might be worth while to find if the young uns really were dead."

"Toen you did not know that after all! I thought so. Oh Jerry!"

"Why, look you, man, it was not our interest to take their side if we could suffering of the horse. Those who will not best family newspaper in the world, and we interest to take their side if we could suffering of the horse. Those who will not best family newspaper in the world, and we interest savage and debased tribes only that the condition and formed. The Weekly Sun, which has attained a circulation of over eighty thousand copies, and without the excuse of the former; here all may avail themselves of the use of an article which has done more than anything else heretolore known to improve the condition and relieve the condition and relieve the condition and the condition and
