

THE KINGSTON FIRE. Losses, taking the fire district, starting on the south-west side of Princess street, where the flames were stayed, are as follows:—

Thomas' Electric Oil. Worth ten times its weight in gold. Do you know anything of it? If not, it is time you did.

There are but few preparations of medicine which have withstood the impartial judgment of the people for any length of time. One of these is Thomas' Electric Oil, purely a preparation of the best oils of its own country, and possessing virtues of its own.

There are many who are in the habit of using other preparations, and who are not aware of the fact that the oil which is used in the preparation of this oil is of a much higher quality than any other oil that is used in the preparation of any other oil.

It contains no alcohol or other volatile liquids, consequently loses nothing by evaporation. Wherever applied you get the benefit of every drop whereas with other preparations nearly all the alcohol is lost in that way, and you get only the small quantity of oil which they may contain.

It is not only a most valuable remedy for all the ailments which are mentioned in the foregoing list, but it is also a most valuable remedy for all the ailments which are mentioned in the foregoing list.
