The "WILLIAMS' SINGER" is the only Machine that has successfully stood the test of time and experience. During the six years that it has been before the Ottawa public, it has earned for itself the enviable reputation of being the best Machine in the market. A good proof of its superiority is the fact that in nearly all the principal Dressmaking and Tailoring Establishments in the city, it is now constantly used in preference to other makes. GEO. There was a great packing up of carpet-bags in Cincinnati last night, and many a vindictive thud doubtless testified the chagrin of disappointed delegates as they rammed their soiled linen into those receptacles. However, they had, after the approved fashion, caucussed, balloted, manœuvered, spread themselves, and wound up also according to well established precedent, by electing about the last man that any one would have thought of. Governor Hayes is the Republican nominee for the Presidency. Mr. Blaine, in a telegram, expressed his delight.

The Belgian Rioting!

THE EXCITEMENT INCREASING.

(By Telegraph.)

GHENT, June 16.

The Anti-Clerical manifestations were renewed last night, and some conflicts between the police and people occurred. Several arrests were made. The gendarmeri charged on the crowd without previously calling on the people to disperse.

CINCINNATI CONVENTION.

Republican Choice for President.

GOVERNOR HAYES UNANIMOUSLY NOMINATED.

(By Telegraph.)

CINCINNATI, June 16.—The Convention was late in assembling. Weather cooler. The galleries were two-thirds full. Much interest and excitement, and was called to order at 10.30; prayer by Rev. Mr. Morgan, of the Episcopal Church.

Fifth ballot—Blaine, 286 Bristow, 114; Conkling, 93; Hayes, 104; Hartranft, 60; Morton, 95; Washburn 3; Wheeler, 2.

Sixth Ballot.—Blaine, 308; Bristow, 111; Conkling, 81; Hartranft, 56; Hayes, 113; Morton, 85; Washburn, 4; Wheeler, 2.

Cumback, of the Indiana delegation, has withdrawn Morton's name; 25 of the delegation vote for Hayes, 5 for Bristow. Horton withdrew Bristow's name. The Kentucky delegation voted 24 for Hayes.

Seventh ballot—Blaine, 323; Bristow, 21; Hayes, 352; necessary for a choice, 348. Hayes was nominated, and afterwards the nomination was made unanimous. Wheeler, of New York, was nominated for Vice-President.

After the seventh ballot Hayes having received a majority as Republican nominee for President, a scene of excitement followed, shouting, waving of hats, cheering, &c., and band playing "Yankee Doodle." Foyos of Maine took the platform to thank the supporters of the candidate of Maine. No words can express Maine's gratitude. God bless you all for ever, etc., etc."

WASHINGTON, June 16.—Upon hearing of the nomination of Mr. Hayes, Mr. Blaine sent the following telegram:—"Washington, D. C., June 16.—To Governor R. B. Hayes, Columbus, O.—I offer you have my sincerest congratulations on your nomination. It will be alike my highest pleasure as well as my first political duty to do the utmost in my power to promote your election. The earliest moments of my returning and confirmed [illegible] securing you as a large a vote in Maine as she would have given for myself. (Signed) J. G. Blaine."

ASSASSINATION EXTRAORDINARY.

MINISTERS SHOT AT THE COUNCIL BOARD.

Miscellaneous Items from the Unsteady East.

(By Telegraph.)

LONDON, June 16.

A despatch to the Reuter Telegram Company, dated Constantinople, 9 o'clock this morning says that the Ministers were assembled in Council last night at the residence of Midhat Pasha, President of the Council, when an officer who had been recently dismissed from the service entered the Council Chamber armed with a revolver and shot and instantly killed Hussein Avni Pasha, Minister of War, and Rashed Pasha, Minister of Foreign Affairs, and seriously wounded Kaiserli Pasha, Minister of Marine. He also killed an aide-de-camp of the Grand Vizier and a servant of Midhat Pasha. The assassin was arrested. The motive for this terrible crime is supposed to be [illegible]

The Servian Army.

A Times' Berlin despatch says the Servian army remains stationed on the frontier, and is receiving reinforcements.

The Russian General Schemay, hitherto commanding a division only, will probably be raised to the chief command of the Servian forces.

The Montenegrins and Herzegovinians are assembled in two camps, the former near Rodgoritana and the latter near Niesic. Col. Bollen, a Russian, is regarded as the probable chief of the Montenegrin staff. About 30,000 Bulgarian insurgents are occupying North Western Bulgaria. It is evident that the Selavonic army will remain under arms during the final diplomatic negotiations. A telegram to the Russian Telegraphic Agency authoritatively denies that Russian troops are concentrating in Bessabia.

The London *Standard*, July 26, announced the investiture of the Sultan Murad had been postponed the same day.

CONSTANTINOPLE, June 16.—The following is the official account of the assassinations here this morning. A Circassian named Hassan, left the military school four years ago with the rank of lieutenant, and was appointed to a captaincy in the army of Bagdad. For certain reasons he was retained at Constantinople, where he was variously employed. When Hassan recently received the appointment of adjutant-major and assignment to duty with the army of Bagdad, he alleged various pretences for remaining at Constantinople, and was consequently arrested and imprisoned. He was released yesterday on condition of his proceeding to Bagdad to-day. Yesterday he called upon the War Minister, when he was informed the Minister was attending the Council at the Prime Minister's residence. He proceeded thither, and the guards believing him an aide-de-camp permitted him to enter. Hassan fired point blank at Hussin Avna Pasha, Minister of War, with a revolver which he had in his pocket, and while other persons present were pressing forward to seize him, Roeher Pasha, Minister of Foreign Affairs, a servant of Midhath Pasha, named Abedni, and a soldier were killed. Seiserli Pasha, Minister of Marine, and a soldier were wounded.

PARIS, June 16.—A special despatch from Belgrade, says the Servian Government decision is in favor of peace as opposed to the wishes of the whole people. The position of affairs is becoming dangerous for Prince Milan.

CONSTANTINOPLE, June 16.—The Porte has decided to complain of Austria for continuing to allow insurgent volunteers to cross her frontier into Turkey.

The sentence of the court-martial at Salonica has been set aside as insufficient, on the representations of France and Germany. The parties will be tried again at Constantinople for lack of energy and foresight.

VIENNA, June 16.—Reliable intelligence has been received that Hassan, when about to shoot Avni Pasha, said something, apparently meaning that he desired to avenge the deposition of Abdul Aziz. Rachid Pasha was not shot, but stabbed while he was endeavouring to disarm the assassin. It is reported he was a devoted follower of the late Sultan.

The prices, it is now thought, have reached their lowest point, so that there will be no further loss in that direction.
