OTTAWA, July 17, 1876. To-day's issue of THE TIMES, it will be

Archbishop Tascummat, in a letter to the editor of the Courrier du Canada, says that the fundamental points in the politice-religious discussion have been submitted to the Hely See by himself and by other interested persons. From this we should infer that the question of how far Priests may interfere in political matters has been submitted to the Hely Pather at Rome.

The leading Opposition journal, the Medi, has repeatedly and persistently invited the leading ministerial journal, the Medi, has repeatedly and persistently invited the leading ministerial journal, the Globs, to give some explanations about
