DATORTER'S LIFE. confidence. He offered to pay me a sum of money in advance, but as he told me it was all the money he could command, I LONDON, Sept. 13. - An affray occurred declined his offer, and accepted only half at Arva last night, at the opening of of it, telling him he could retain the rest Kearns, Hotel, which may have a fatal towards the expenses of his enterprise, He termination. A young man named Morwas profuse in his expressions of gratikin, son of Thos. Morkin, tavern keeper, tude, and I believed in him. Since then he being beaten in a horrible manner. The has used my work and continues to do so, row occurred about three o'clock this refusing payment for it in any shape. He morning while the dance was going on, has also sold conies to other people to asand Morkin seems to have been pounced sist them in defrauding a gentlemanwho beupon by numbers. His head and face were laid open with numerous kicks, and haved towards him in a kind and generous spirit. He also announces the performance he was left in the road insensible. He of Mr. Loster Wallack's play, " Rosewas brought home to this city and now dale," which, likewise, he plays without authority as Mr. Wallack informs me. A woman named Hannafin was arrested this morning for an attempt to take the

life af her daughter, who, against her will, has married a Protestant and adopted his religion. She was only taken after a desthis protest to the Canadian press, in the perate struggle with the officer.

PRUSPECTUS.

OTTAWA, July 17, 1876. To-day's issue of THE TIMES, it will be observed by reference to the proper colimn, appears under a new management and a new proprietary, and it is due to our readers and patrons that some remarks should be made regarding the change ; firstly, as regards the future course of the journal in the discussion of public questions and policy : and secondy, with respect to the business arrangements and matters generally which we propose to carry out. From henceforth THE TIMES will be identified with the Liberal-Conservative party, not necessarily as a "thick and thin" party organ, but reserving to itself the freedom and privilege to discuss all

public questions in a spirit of liberality, and always with a view of best serving the general public interest. From the present bond-Woodhull's Lecture not Liked mises, were expected by a great ma--Preparations for the Previncial Ex-jority, probably, of the people A fair trial was asked for them, and the fair trial was enforced by the large m jority which they have had at command both in Parliament, and, it is to be presumed in the country. They have now had well nigh three years' majority at their beck and call, and with ample opportunity and power to elaborate great questions of reform and a systhe question may now be fairly asked, trenchment and economy, where is the improvement in public administration, where is the wise, spirited and patriotic has left a very unfavorable impression on the minds of those that listened to her oration. She promised to return and repeat her lecture.

Great preparations are being made for the Provincial Exhibition. A large number of carpenters and laborers are at of the House of Commons? To all this and its party have wantonly broken faith with the country, and grossly The Provincial Exhibition; 17,000 Adminions—Application for a Writ of had the fair trial which was asked, which Mabons Corpus - Mysterious Case of in justice was their right; and having Robbery-Police Suspends I-A Law-been weighed in the balance are found yers Re-union Proposed. utterly wanting in all the sound attribe of a good and efficient Government. The Montreat, Sept 13.—About 17,000 peo-ple visited the Provincial and Horticul-tural Exhibitions to-day, many being from torests of this great Dominion are being mowing machines the first prize went to sent Government, and that either from

mowers and respers equivalent D. Motormick, of North Georgetown, took first prize, Thomas & Williams Manufacturing Company, of Hartford, second; and M. Moody, of Terrebonne, third.

Upon application in the Court of Queen's Bench this morning a writ of the cause the state of public affairs habeas corpus was ordered, to be issued is now such that the country must look Long, who was committed by the Coroner in connection with the sad and tragic mical Government which is so urgently death of the young man William Taylor on Thursday night last. The Oddfellows The Tixes will continue to be issued as on Thursday night last. The Oddfellows resisted the application by counsel, who held that there was proof that Long struck the fatal blow. The prisoner was remanded till to-morrow for the decision.

George Shipway, the merchant of St. Nicholas street, has deposed in the Police Court that he was robbed of \$70. He court that he was robbed of \$70. He M. P., invited the full Board to lunch at H. McGan's Hotel. After partaking of the spread, to which full justice was done, different to sts were presented, the more especially to the Warden, Mr. Ellard, who replied in a most elequent manner. Mr. A. Wright, M.P., and several others spoke at length on the subject of the Gatineau bridge and politics in general.

WATFOR
