IMPORTANT NOTICE. GAS LIGHT FOR THE STREETS The undersigned having purchased from J. D. Gould, of Boston, Mass., the patent right of the "BELL VAPOUR BURNER," for the D n inion of Canada, are now prepared to furnish this Gas Light to cities and towns, either by contract or otherwise. The obstacles heretofore experienced in lighting the streets with a valour light hate been tirely overcome by the invention of the Perfected Eurner.

Its Points of Merit are: regulating, and does not smoke, or get out of order. Can be burned at one-half the expense of ceal gas, and is even cheaper than the "kerosene lamp" now in use. The duration of light can be graduated to any number of hours, still further decreasing the expenses attending.

The is not affected by the lowest temperature. It obviates the use of Street Mains and Service Pipes, and is adjustable to any street Lantern now in use. It is particularly adapted to light Streets, Parks, Mills and Private Grounds.

Orders for light punctually attended to.

TOWN AND COUNTY RIGHTS FOR SALE Also, Agents for the Ellis Patent Gas Burner, Regulator and Shade combined, warranted the best Gas Burner in the world. No waste of gas. Absolute economy. Will save 15 to 50 per cent. over any other burner. Over 800,000 sold in one year.
