notwithstanding that the frule applied for his sarcastic and abusive reference to me able extent with the strikers, to turn in was dropped, but had at least one good in the speech referred to, is he borne out effect. From being the intemperate assailant of the Judges, the Globe has become their defender and protector. For an alleged attack upon the Judges of the Supreme Court' and Judges of the Court of Appeal, Ontario, the "Big Push' journal reads Mr. Dalton McCarthy, the newly elected member for Cardwell, a rather severe lecture. It suits the journal's purpose to wilfully misrepresent the remarks Mr. McCarter made us of, so as of disrespect and discourtesy to the Judges. What Mr. McCarrer did say at readers by reading your report of the pro- gathered about the station in the taverns, have to review the decisions of Judges who have been on the Bench for years. He takes the ground, apparently, that put over the heads of those who have Christendom, and that the ordnances adgreat experience on the Bench, and ques- | ministered by pedo-Baptist were invalid.' tions the propriety of the Minister of Justice thus passing over the claims of the elder occupants of the Bench. He has not, therefore, made any attack or as- sny sault on the Bench, but simply spoken | Inc. words in favour of the elder Judges. Mr. McCarthy's sins in the estimation of the Globe are that he is a Conservative, | do the newly elected member for Cardwell. and that he should have dered to say one word to challenge the wisdom or propriety of the Hon. Mr. Blake's appointments to add, as understood

The strike of the locomotive engineers on the Grand Trunk still continues, and there is no certainty of an agreement the gravamen of my offence. It was to soon being made between the Company this letter the Rev. Mr. Gordon called the and their rebellious servants. The strike attention of the Alliance on Friday, the was ordered from the head-centre of the Brotherhood in the United States, and is, therefore, supported by the whole body of United Engineers on the continent. From all appearances the strike was a hasty and ill advised movement, as no proper steps seem to have been taken to get an amicable settlement of the differences between the men and the Company. The whole thing was a surprise, sprung on the Company and the public at a very no doubt, to overawe the Company into conceding the terms demand the strike has been marked by several acts of gross violence and intimidation. the strikers at that point either being of a peculiar class or under the influence of December, 1876? I claim that the keeping an eye on the "scabs," as the but one will leave co-morrow morning. of volunteerss, the driver was pulled from | which I am the first victim. The genius ant about going out. A Grand Trunk | dent from obstructions all night trains his engine and seriously beaten. Why of the freedom of the 19th century is Railroad employee says that the railroad have been discontinued for the present. this violence was allowed under the circumstances is rather mysterious, for by the exhibition of proper firmness the authorities should, with the ald of the military, have been in a position to quell any disturbance. It is reported that the manager of the Grand Trunk has placed simself in communication with the Dominion Government, with a view no doubt of obtaining all the aid which can be placed morning for the independent candidate, and while they were receiving semblace of large numbers of railway are at his disposal for the protection of the James Egleson.

property and rights of the Com- BR THERHOOF pany. In the meantime the public are being put to great inconvenience through The Head Centre the stoppage of trains and detention of mails. By their violence, and by their NEWS FROM ALL NG THE LINE, struck work at St. Hilaire, notwithstandutter indifference to the comfort and convenience of the travelling public, the Violence and strikers have effectually shut themselves out from the sympath of the public. A DRIVER PULLE, I FROM HIS . If need be, the whole power of the Government should be thrown on the side and countenance them in their differences with Their employees, but in protecting their property to guard the interests of INVASION OF THE ROUND HOUSES.

NEW GAS LIGHT FOR THE STREETS

The undersigned having purchased fro J. D. Gould, of Boston, Mass., the patent right of the "BELL VAPOUR BURNER," for the D inion of Canada, are now prepared to furnish this Gas Light to cities and towns, either by ntract or otherwise. The obstacles heretofore It gives a Brilliant Light, fully equal to the coal gas. It is simple in construction, self regulating, and does not smoke, or get out of order. Can be burned at one-half the expense of coal gas, and is even cheaper than the "kerosene lamp" now in use. The duration of light can be graduated to any number of hours, still further decreasing the expenses attending.

But it not affected by the lovest temperature. It obviates the use of Street Mains and Service Pipes, and is adjustable to any street Lantern now in use. It is particularly adapted to light Streets, Parks, Mills and Private Grounds.

Orders for light panetonally attended to

Also, Agents for the Effis Patent Gas Burner, Regulator and Shade combined, warranted the best Gas Burner in the world. No waste of gas. Absolute economy. Will save it to Seper cent. over any other burner. Over 800,000 sold in one year. TOWN AND COUNTY BLUHTS FOR SALE Lambert, Meech & Co.,
