[AN INSPECTION INVITED.] IMPORTANT NOTICE.

A NEW GAS LIGHT FOR THE STREETS The undersigned having purchased from J. D. Gould, of Boston, Mass., the patent right of the "BELL VAPOUR BURNER," for the D minion of Canada, are now prepared to furnish this Gas Light to cities and towns, either by a ntract or otherwise. The obstacles heretofore experienced in lighting the streets with a varour light have been directly overcome by the invention of the Perfected Burner.

Its Points of Merit are: It gives a Brilliant Light, fully equal to the coal gas. It is simple in construction, self regulating, and does not smoke, or get out of order. Can be burned at one-half the expense of coal gas, and is even chester than the "kerosene lamp" now in use. The duration of light can be graduated to any number of hours, still further decreasing the expenses attending.

It is not affected by the lowest temperature. It obvious the use of Birect Mains and Service Pipes, and is adjustable to any street Lantern now in use. It is particularly adapted to light Birects, Parks, Mills and Private Grounds.

Orders for light punctually attended to.

TOWN AND COUNTY RIGHTS FOR SALE Also, Agents for the Ellis Patent Gas. Burner, Regulator and Shade combined, warranted the best Gas Burner in the world. No waste of gas. Absolute economy. Will save 15 to 50 per cent. over any other burner. Over 800,000 sold in one year.
