Who doesn't look for bargains? One way to find them is to read the food ads. That's why you are reading this page. You are seeking values for yourself and your family. A supermarket, in turn, seeks the best values available for its customers. It goes shopping too -- but from a much longer list. Goods are bought all over the country and the world. When prices go down you pay less, when food stores must pay more for their products, shoppers have to pay more. The values on this page and in our stores, are a result of IGA's bargain hunting on your behalf -- among all the producers, manufacturers and suppliers of the products you buy. Whenever your store finds a "bargain", you benefit. Mrs. Green is available to talk "shopping" to groups. Write 300 The East Mall, Islington, Ontario M9B 6B8 or call (416) 259-6633.

PRICES EFFECTIVE WED. THRU SAT. JAN. 8, 9, 10, 11
