## Winter Recreation Program

Well the holiday season is over for another year, and now it's on to our Winter Recreation Program. Two programs are ready to begin. The Yoga Classes are starting on Monday January 13 at Burkevale School. Beginners are asked to be there at 6:30 p.m. More advanced students should come at 8 p.m. The cost is \$15.00 for a 10 week session. Please pick up forms at the Town Office well in advance of the first evening and return them with the money.

The Art Course is also set for another 10 weeks. An overflow is expected so we encourage any interested persons to try this course. I'm sure you will enjoy it. It begins on Monday January 20, 1975 at 7 p.m. at the Georgian Manor. Forms are available at the Town Office.

### Senior Girls Ringette

**Toros 11**  
Donna Brooks and Anne Robillard each scored three goals in leading the high flying Toros to an 11-6 victory over the Jets. Pat Peltier and Marilyn Bellehumeur each scored five goals while Michelle Lacroix chipped in with a single. Cathy Lethbridge scored five goals for the Jets while Sue St. Amant had a single.

### Junior Girls Ringette

**Sabres 12**  
The high flying Sabres defeated the second place Rangers to continue their unbeaten streak. Janet Belcourt led the potent Sabre attack with six goals. Cindy Cadeau netted three goals while Wanda Buttineau had two goals and Denise Gignac one goal. Janine King scored three goals in a losing cause while singles were scored by Michelle Morrow, Denise Lacroix and Debbie Cadeau.

### Red Wings 16

Bev Beauchamp's 10 goals with six goals being scored by Pauline Robillard and Patti Beausoleil's excellent goal tending were very instrumental in the Red Wings lopsided win over the Leafs. Pat Marchand had the only goal for the Leafs.

## Perkies split games, remain in third place

Dave Ogilvie

The Perkinsfield Perkies resolution to win all their games in 1975, they forgot it on their first outing last Thursday but recalled it in time for Sunday's game against Elmvale.

Playing on Elmvale's home ice, the Perkies skated away with a 3-1 victory, which places them in about third place in the six team Elmvale and District Senior Hockey League.

The two Andy's, Parent and Maheu led the Perkies with a goal and an assist apiece. Dave Ogilvie scored the remaining Perkies goal. Gary Preston and Andy Parent picked up assists on the scoring play. Preston earned assists on all three Perkies goals.

The Perkies complained bitterly that Elmvale's lone goal with less than three minutes remaining in the game was scored after the whistle was blown.

Although they were unable to change the referee's opinion, teammates credited goalie Ted Preston with an unofficial shutout.

The Perkinsfield Perkies started the New Year off on the wrong foot by dropping a close 7-6 decision to KIL last Thursday in Elmvale. Despite losing their third game in as many starts the Perkies performed well and actually outscored KIL in two of the three periods. The only problem is that hockey is a three period game and in a disastrous second period (from Perkinsfield's point of view) the Perkies were blanked 3-0. That gave KIL a 5-3 lead going into the final frame where Perkinsfield

outscored the Midland team 3-2 but fell short on the overall scoreboard 7-6.

The loss leaves the Perkies in fourth place with four wins, five losses, and a tie - good for nine points.

League leading Mansfield has 14 points, followed by KIL with 13, Wyevale 12, Perkinsfield 9, Elmvale 9, and Midhurst 3.

Andy Parent opened the scoring last Thursday for the Perkies by rifling a puck past the KIL's Gary Ronald less than a minute into the game. Andy Maheu drew an assist on the play.

Wayne the Bear Simpson drilled in the second Perkinsfield goal on a screened slapshot from the point. The two Andy's, Parent and Maheu picked up assists on the goal.

After the goal by the slow motion Bear speedy Richard Beans Lefave found the net by flipping home a pass from John McGowan.

Trailing 5-3 going into the third period, the Perkies fought back getting goals by Jules Duquette, John McGowan, and Dave Ogilvie. Ogilvie's goal was an unassisted effort. Raymond Parent, Don Bazinet, Beans Lefave, and D. Webb earned assists on the other two third period markers.

## Popple sparks Emery's comeback

Despite a 4-3 loss to Penetanguishene Marine on Sunday, Ken's Esso remains on top of the Penetanguishene Industrial League standings, one point ahead of Marine.

Jim Pollard banged in all three of Ken's Esso's goals but two by Larry Marchand and singles by Bill McQuaig and Larry Leroux enabled Esso to squeak out its one goal victory.

In the other Industrial League game Penetanguishene IGA, the league leaders for most of 1974, continued to tailsip by dropping its fourth game in a row.

And this week IGA lost the hard way, but surrendering a 5-3 lead and eventually bowing 6-5 to Emery's Electric, the league's cellar dwellers.

Ken Popple sparked the comeback for Emery's by pulling off a hat trick in the third period. He scored the game winning goal with only

35 seconds left in the match. Sandy McKillop put IGA out in front with the first goal of the game at the 6:57 mark. Emery's Electric proved it could come back when Ken Desjardins and Brian McConkey each rifled a puck past the IGA goaltender before the close of the first period.

Ken Popple scored Emery's only goal of the middle frame giving Electric a 3-1 lead, but Brian Merkley and Mike Puddicombe tied things up late in the second period.

Two quick goals by the league's scoring leader, little Kenny Edgar gave IGA a 5-3 lead with just under eight minutes to play.

And then the roof fell in as IGA's forwards stopped backchecking and the defence were caught up ice.

Jim Dagenais started Emery's third period comeback when he was allowed to sail in alone on the

left side and bang a pass into the lower right hand corner of the net.

Then with less than three minutes to the final buzzer, Ken Popple broke in all alone on IGA's blue line to tie the game up 5-5. Finally with 35 seconds on the clock, Popple killed IGA with the game winning goal.

The results of the previous week's hockey action were not reported due to an early holiday deadline.

On December 29, Penetanguishene Marine whipped IGA 5-2, while Ken's Esso edged Emery's Electric 4-3. Five players shared in the scoring for Penetanguishene Marine. Don Maurice, Ken Moreau, John Stamp, Paul Dion, and Larry Leroux notched in a goal apiece. Ted Devillers and Mike Puddicombe replied for IGA.

Peter Arbour and Rick Desjardins popped in two goals each to lead Ken's Esso to a 4-3 victory. Bob

Rustin, Ken Popple, and Dan Dubeau tallied for Emery's Electric.

The following is a record of the up to date standings and the top 10 scorers in the Penetanguishene Industrial Hockey League as compiled by Peter Dubeau:
