Get your 1975 licence plates right now

Two things are inevitable in February. One is the snow and cold weather. The other is renewing licence plates.

There's not much we can do about the snow and cold weather except dream about the summer and the return of warm weather, but there is something that can be done about the traditional long lineups at the end of the month to get new licence plate stickers. That is, we can get out now and get them.

An official from the licensing office, beside the Georgian Bay Travel Agency on Main Street, said licence plate renewals were not going well this year. That could mean longer than normal lineups at the end of the month.

Yet there is no need for longer lineups if you take only a couple minutes to complete the licence renewal process before the last two or three days in February. Computer card renewal

forms can be picked up at the license office or the Liquor Store at the Poyntz Plaza. The forms are straight forward and easy to fill out if instructions are followed.

Once filled out all a car owner has to do is bring the completed form, vehicle registration and, alas, the required amount of money to the licensing office.

If these simple steps are followed, and if you do it very soon, well before the end of the month, it will only take a few minutes to get your 1975 license plate sticker.

If not, expect to wait for two or three hours in a lineup at the end of the month. It's your choice.

Teresa Howe dead at 94

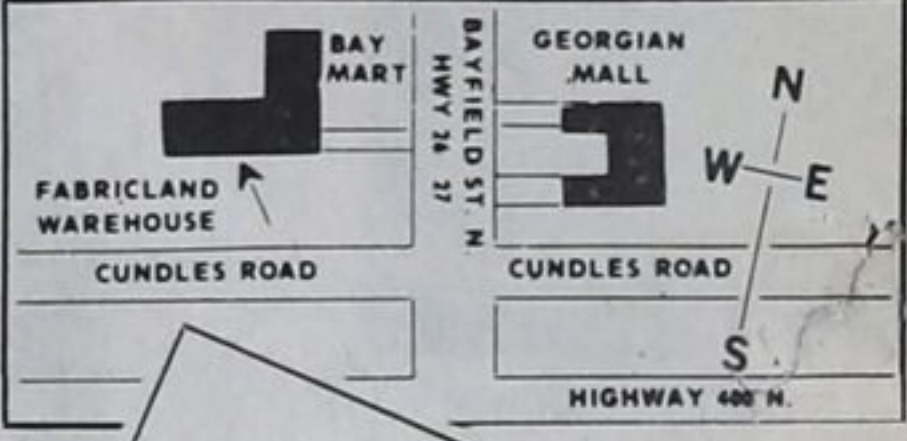

Teresa Howe died on February 2, 1975 at the Penetanguishene General Hospital after a brief illness. She was 94 years old.

Born in Penetanguishene on July 4, 1880 to Isaac and Catherine (Callaghan) Howe (both deceased) she spent all her life in this area at what is known as Howe's Corners, Vinden Street and Highway 27. Her last few years however, were spent at Georgian Manor.

Funeral services were held at St. Ann's Church on February 5, 1975 with Father L. Dignard presiding. Burial took place at St. Ann's Cemetery, Penetanguishene.

PSS's rock and roll king and queen

Two Penetanguishene Secondary School students, Brian Bidan (grade 12), and Monique Lacroix (grade 10), collected fistfulls of cash at PSS's weekend danceathon. The event started at 8 p.m. on Friday night and continued non-stop (except for 10 minute hourly breaks) until 8 p.m. on Saturday night. A total of 69 students gathered sponsors and most of them danced around the clock to raise money for the PSS

dance band. Brian Pilon, sponsored to the tune of \$11.40 per hour collected the most money — \$273.60. Monique Lacroix danced at the rate of \$6.47 per hour to collect a total of \$155.28. Rocking round the clock was worth it for Brian and Monique. Brian won the top prize of \$100 for being the highest sponsored dancer to complete the marathon. Monique's second place finish earned her \$50.
