by Pat Fitzgerald
Well, they did it again. Penetanguishene Secondary School captured the GBSSA badminton final held at Thornlea Secondary School last Thursday. Coach Mate Lichtenberg praised his team for their third win in a row at the annual competitions.

This year, PSS also grabbed the mixed doubles and boys' doubles trophy.

Robert Berdan and Angela Wesser of PSS continued their giant killing role to

sweep the mixed doubles division and win another shot at the all-Ontario championships for the fourth straight year.

Frank Berdan rallied for a second place finish, defeating Dave Crabs in the semi-finals before bowing out to Steve Cocks in the final. He will also travel to the all-Ontario, as will Dan St. Amant and Pierre Belcourt the favorites to take the boys doubles, who also came out on top.

Kathy Payne and Mary

Sue Beatty took the win for the girls' doubles and a trip to the all-Ontario.

Midland Secondary School's Sue Gauthier, who won the GBSSA final last

year, lost to Collingwood's Nancy Cryser in the finals, but will also travel to the all-Ontario finals.

IGA - happy, tired, on top

Last Sunday's final game for the Recreational Hockey League championship turned into a fast, tough thriller, as Emery's Electric and Penetang IGA - both low teams during league play - battled right to the wire. The score was 2-2 at the end of regulation time, in the fifth and deciding

game, after IGA had withstood a barrage from the Emery squad in the late stages. But at just the seven second mark of the first overtime period, Ken Edgar scored on a breakaway shot from the circle to the right of Emery goaltender Ted Mason for the winner to give IGA the title.

Penetang IGA wins Rec League

Penetang IGA pulled off a cliffhanger overtime victory Sunday morning to end the hockey season in North Simcoe, as they nipped Emery's Electric 5-4 in the fifth and deciding game of the Penetanguishene Recreational Hockey League championships.

Kenny Edgar was the hero for the winners as he swooped down the left wing to drive the winning goal past Emery's goaltender Ted Mason at only the seven second mark of the first overtime period. It was his second goal of the game.

Both teams played scoreless hockey throughout the third period, as Emery's controlled much of the play in the latter stages of regulation time. IGA netminder Pete Willson had to be sharp to keep his squad in contention.

The win was the second in a row for IGA. They took the series opener and then dropped two straight games to Emery's, leaving them with their backs to the wall. But last Wednesday, Cecil Merkley, a member of IGA's so-called checking line, scored a hat-trick and provided all the firepower his team needed for their 3-2 decision. Bob Rushton and Ken Popple were the Emery marksmen.

Sunday's contest was fast and close, with the lead changing hands twice, as the first period ended 2-2 and the second 4-4.

Brian Merkley, Bob Rice and Ted DeVillers rounded out the scoring for IGA, with Rice's unassisted goal coming on a power play midway through the first period to give IGA a 2-1 lead. Brian Merkley picked up an assist on DeVillers' goal, with other assists in the game going to John Bell and Gerry Gignac.

Bob Rushton opened the

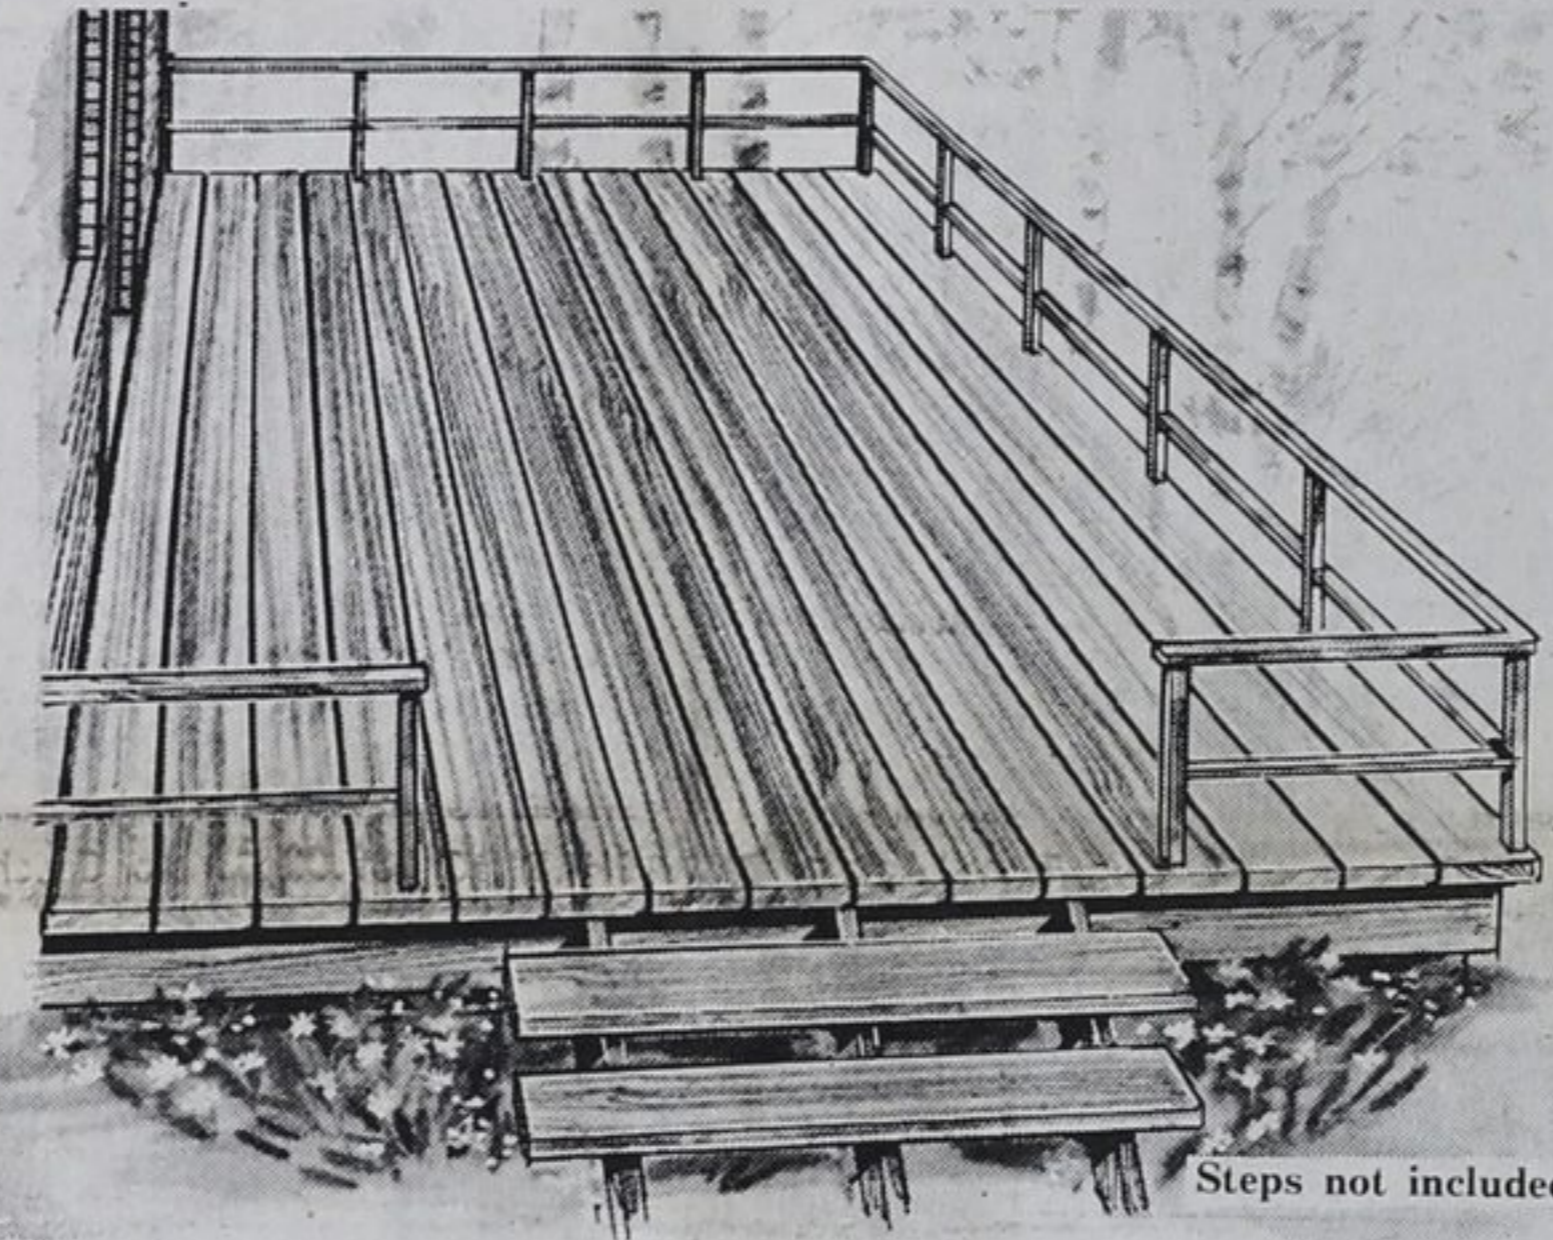

scoring after less than two minutes of play in the first to give Emery's a 1-0 advantage, and Jim Lethbridge's goal late in the period evened the score at 2-2.

In the second frame, Bill Klug and Larry Dion beat IGA's Willson, with Dion's goal again tying the game for Emery's, this time at 4-4. But after a strong third period, Emery's didn't have a chance to get started in overtime, with Edgar's fast goal.
