

# 150 attend Wyebridge W.I.'s get-together

On April 2, the Wyebridge Women's Institute invited the community to a get-together in the Community Hall. Approximately 150 attended.

The evening started with a pot luck supper and was followed by an enjoyable program.

The entertainment consisted of a group from Elmvalle under the supervision of Mrs. Dove. Taking part were Sheila Harpell, Nancy Trace, Kerry Dove,

Bonnie Lawson, Tina Reeve and Steven (Amazing) Trace. Next were songs and instrumentals by Heather Fallis, John Currie, Jamie Miller, Miss Pender and Murray Fagan. E. Moreau

gave a monologue. All of these artists added greatly to the evening and we are very grateful for their assistance. Displays of 4-H work, quilting, and tailoring were shown. It could be seen that the ladies of the area have been quite busy last winter with leasing results.

# Audition night being held

Midland's newly chartered SFEBSA chapter has lots of room for men who like to sing, and they are holding another Audition for Admission night on Tuesday, April 29.

The Combined Operation, a group which delighted the audience at the recent charter night, will be on hand for the occasion and so will the area counsellor, Ross Mitchell.

Midland president Bob Megaw stresses that previous musical knowledge is not necessary. This is the second Audition for Admission night sponsored by the Midland group. Bob promises that anyone who comes out to the great evening of song and fellowship to be held at St. Paul's Church at 7:30 will be warmly welcomed.

# Congratulations Elmvalle Juveniles

## 1975 All - Ontario Juvenile DD champions

### O.M.H.A. winners

The Elmvalle juvenile team is the all-Ontario Minor Hockey Association juvenile DD champions.

The team won four straight O.M.H.A. playoff series on their way to the championship.

During this stretch, the team won 12 games while losing only four games. The O.M.H.A. playdowns began on February 19 against Powasson and ended on April 13 against Dorchester.

This team is the first Elmvalle team to capture an all-Ontario O.M.H.A. championship for several years and in winning, the team showed great spirit, drive and, most important of all, great ability. The team's performance on the ice was at all times indicative of all the good things that hockey is, as each and every member of the team gave 100 per cent at all times.

The team provided its fans with many fond memories in its drive for the all-Ontario title. For instance, no one will forget the tremendous comeback the team made when it was down two games to none in its best of five series against Nobleton. The team continued to skate and play hockey and finally won the series with a convincing 9-5 victory in the deciding game.

All Elmvalle and area residents, whether hockey fans or not, are most proud of this team and its accomplishment this year. Well done, everyone.

However, even in victory, there is sadness because of the tragic death of one team member, Ron deKleyne, in a snowmobile accident on April 5 while the team was playing its final series against Dorchester. We are sure that the team played even a little bit harder in the final series in order to win the championship for Ron who himself was a real champion both on and off the ice.
